## PREREQUISITES - CREDITS AND FINAL EXAMINATION:

### Conditions for Obtaining the Credits and Marks:

1. Full attendance in MS TEAMS distant lectures: allowed one **absence per semester ONLY, in cases of urgent excuse.**
2. **The credit test** is in the **multiple matching test form** and lasts 30 minutes. The test consists of 20 questions, which represent a unique opportunity for students to present the knowledge of the subject. The student is obliged to answer all questions by marking one correct answer. Detailed information on the completion of the test and evaluation of results will be provided directly in the instruction of the test. In case of failing the final test, 1 additional attempt of retake will be given one week after the test day. The maximum allowed attempts for the test are 2.
3. **Final examination:** Oral examination – PPT presentation on given topic. (maximum 30 points, passing level 19 points; 30-27=A; 26-23=B; 22-19=C)
4. Credits and marks are granted upon successfully fulfilling the above-stated conditions. The assistant professor of your group will upload the credits in the SIS by the end of the semester as “Z” standing for “credited”.
5. In case of any questions please contact M.A. Dagmar El-Hmoudova, PhD;
