

To je zkrátka liška

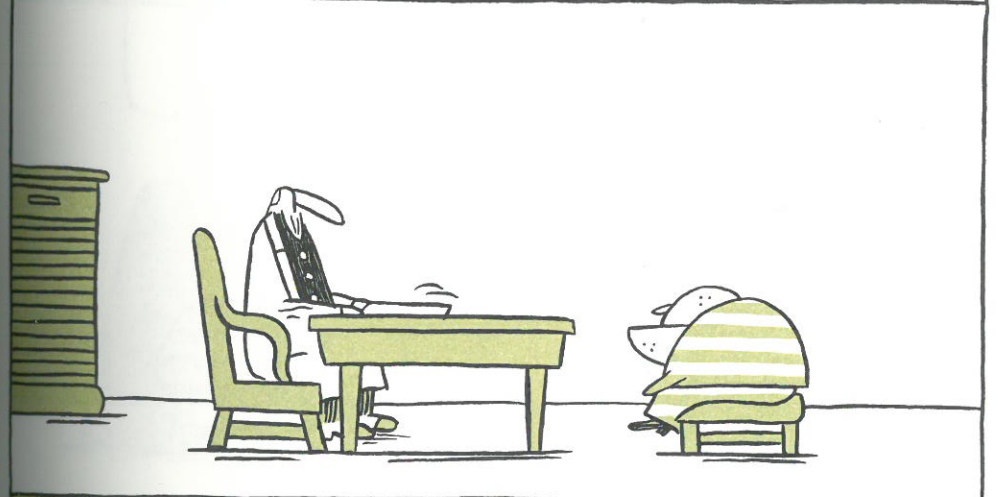

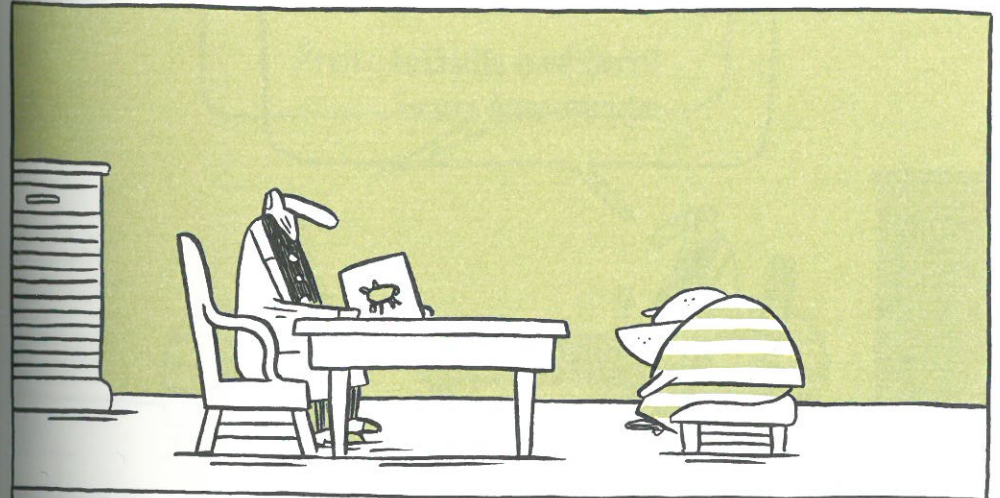

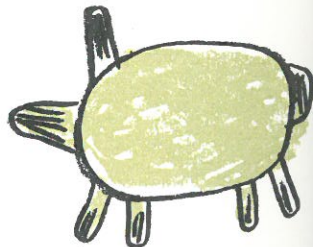

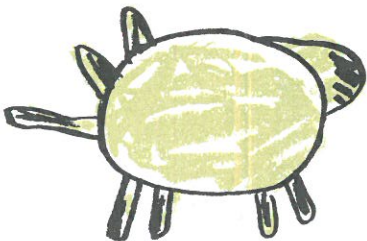

nebo možná zajíc,

ale může to být i kočka

nebo tak něco.

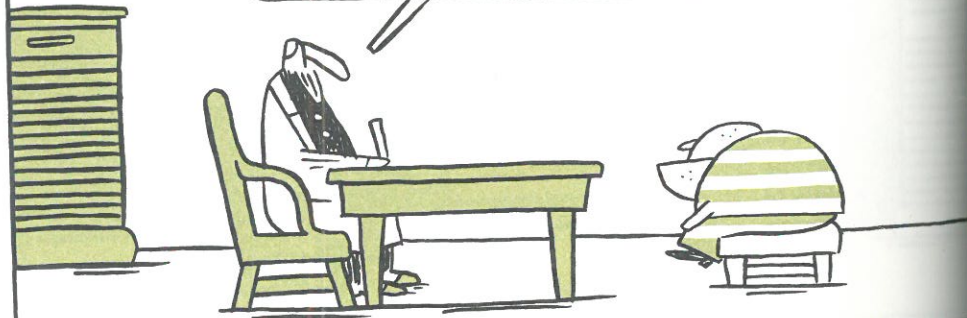

Kolik je čtrnáct
a čtrnáct?

Asi tak
osmadvacet
až čtyřicet.

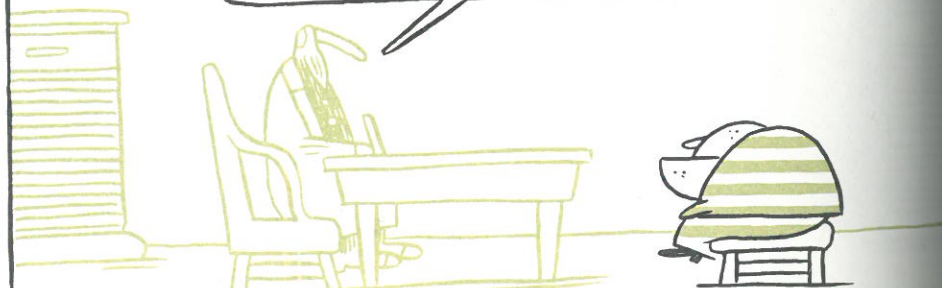

Proč jste si utřel
zkrvavené ruce?

Proč jste zahodil nůž?

Proč jste si po činu
oblékl čisté šaty a prádlo?

Protože byla neděle?

Proč jste šel následujícího večera
na taneční zábavu?

To jste necítil
vůbec žádnou lítost?

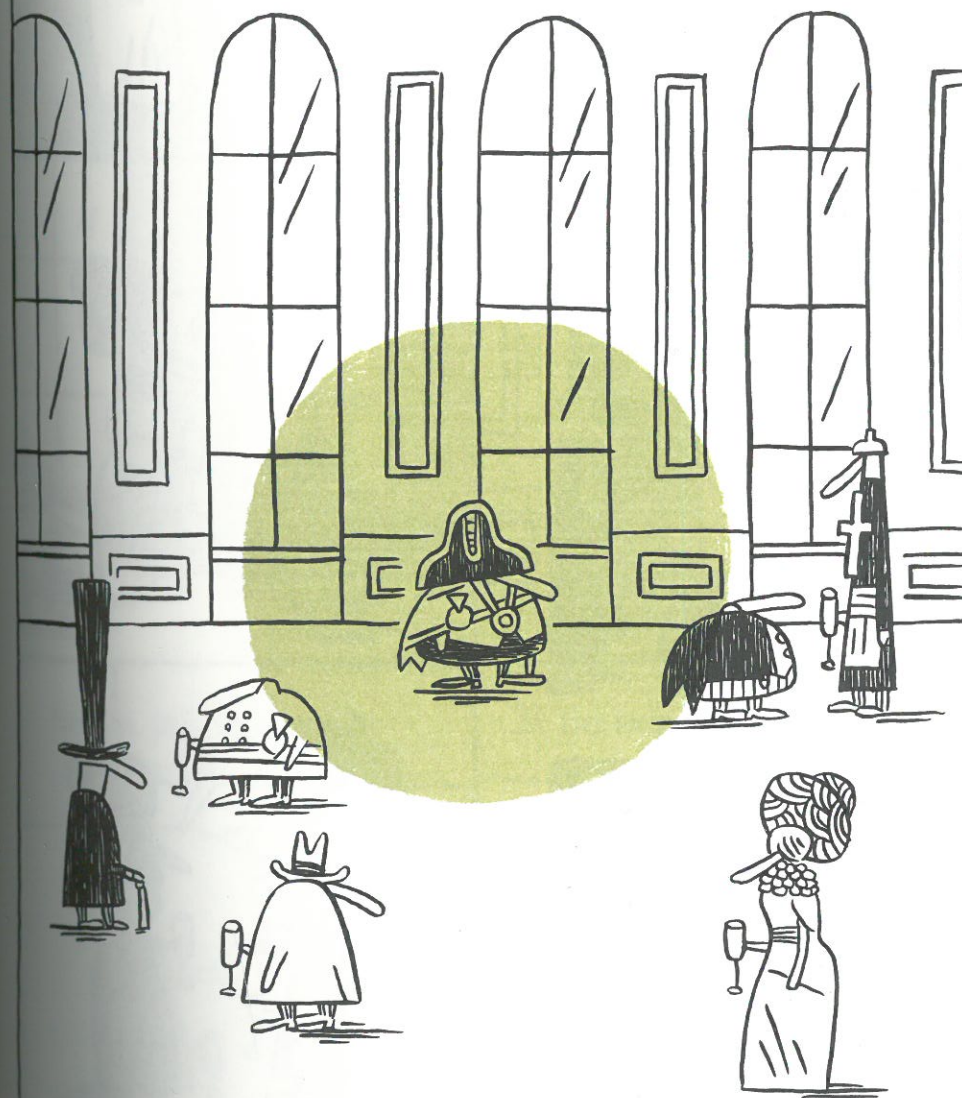

Pravda

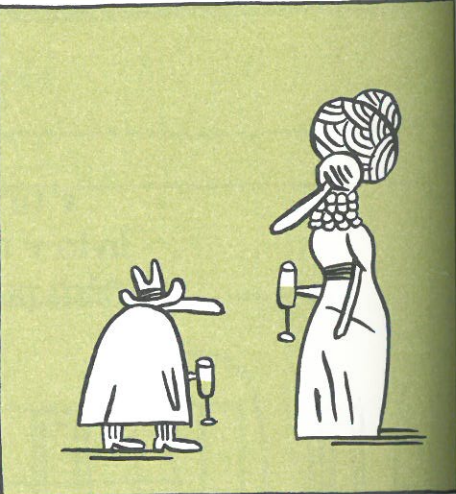

ie věc. která nemá konce.

9

V tu chvíli
bylo v místnosti
něco podivného

Co chce
ten člověk?

Proč sem přišel?

Víte, kdo mě
obtěžuje?

Proč na mě pořád
tak zírá?

Generál!

Nevím, jak se
sem dostal.

Já ho nepozvala.

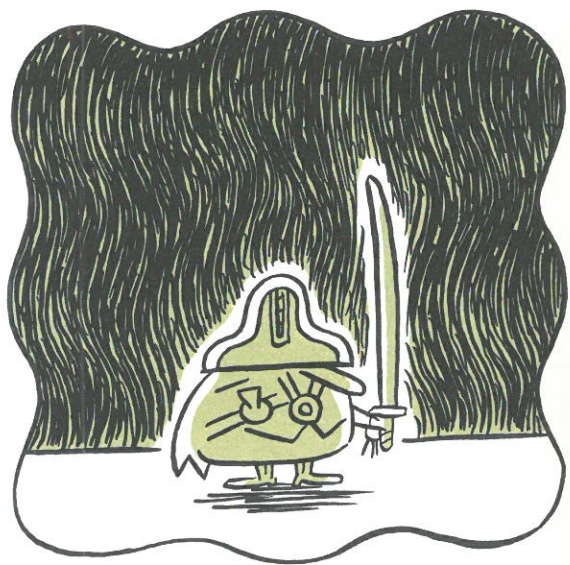

Víte, že se zachvěji od hlavy k patě,
když ho vidím?

Zachvátí mě nepopsatelný, nepochopitelný, neskutečný

strach.

Z něho?

Z koho jiného?

Je to hyena.

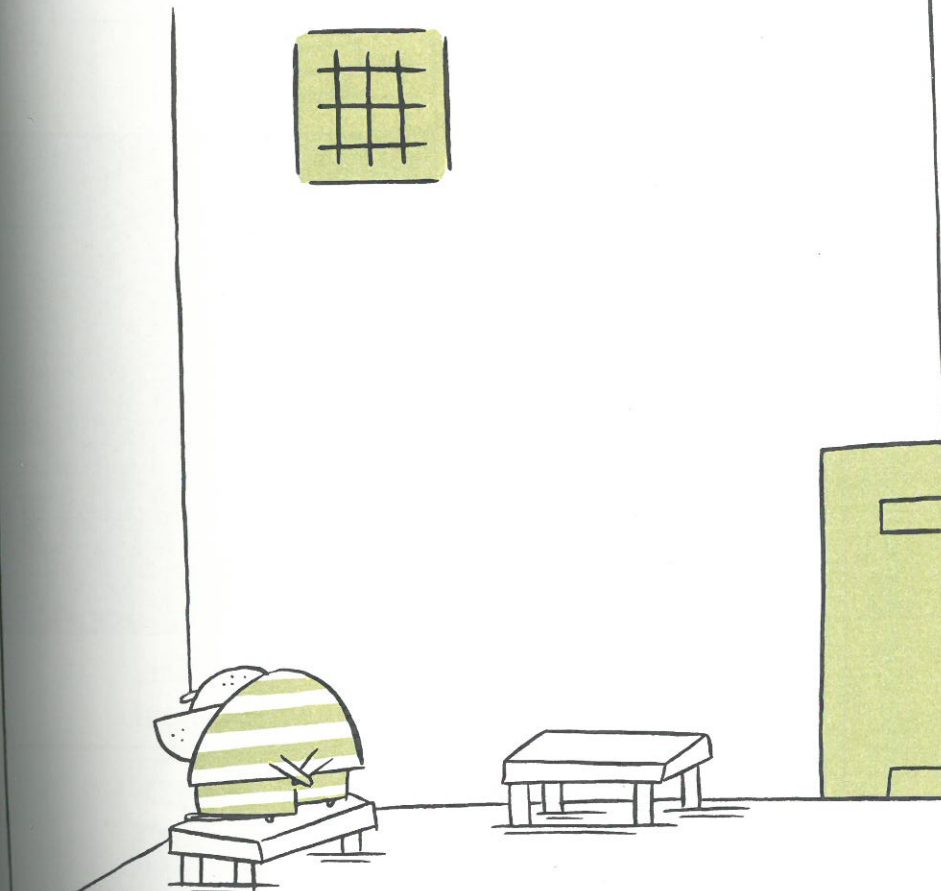

Plíží se kolem a čeká,
až se naše krásné snahy zhroutí.

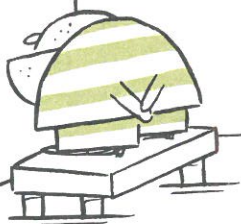

10

Moosbrugger
tančí

Někde
byla válka.

Někde
byla veliká svatba.

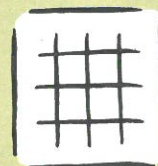

Přichází král
Baludžistánu.

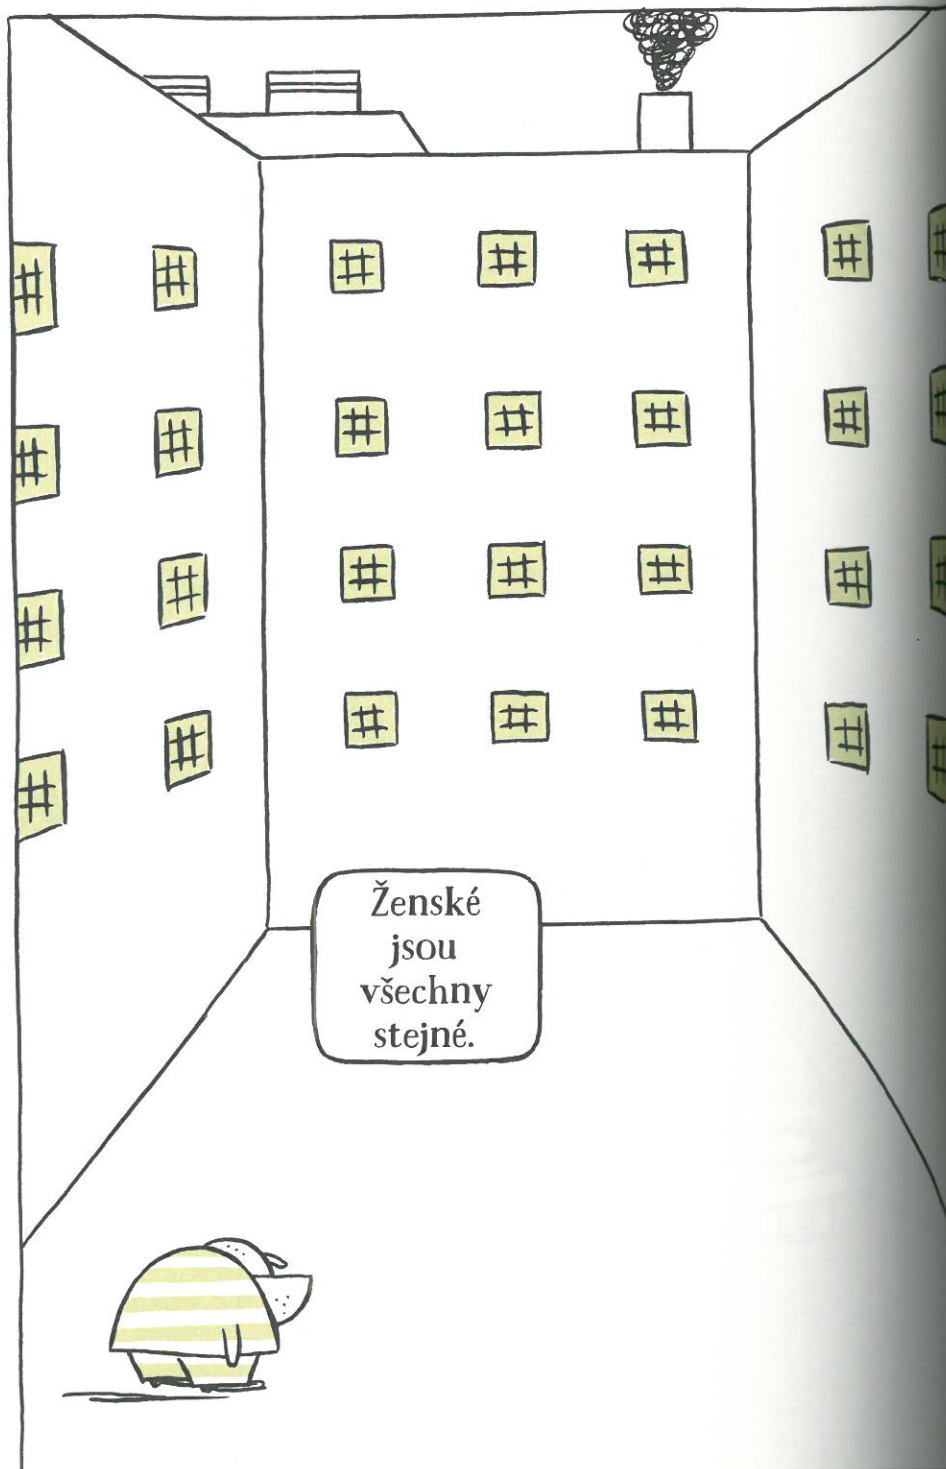

Všude jsou,
nebo nejsou štěnice.

Je práce,
nebo není.

Ženské
jsou
všechny
stejně.

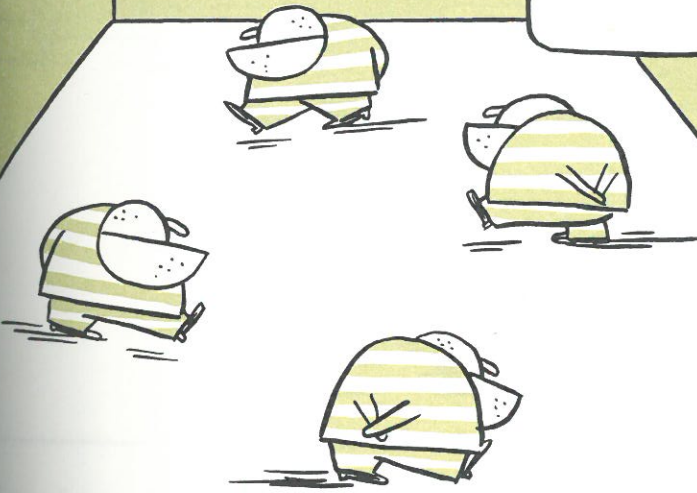

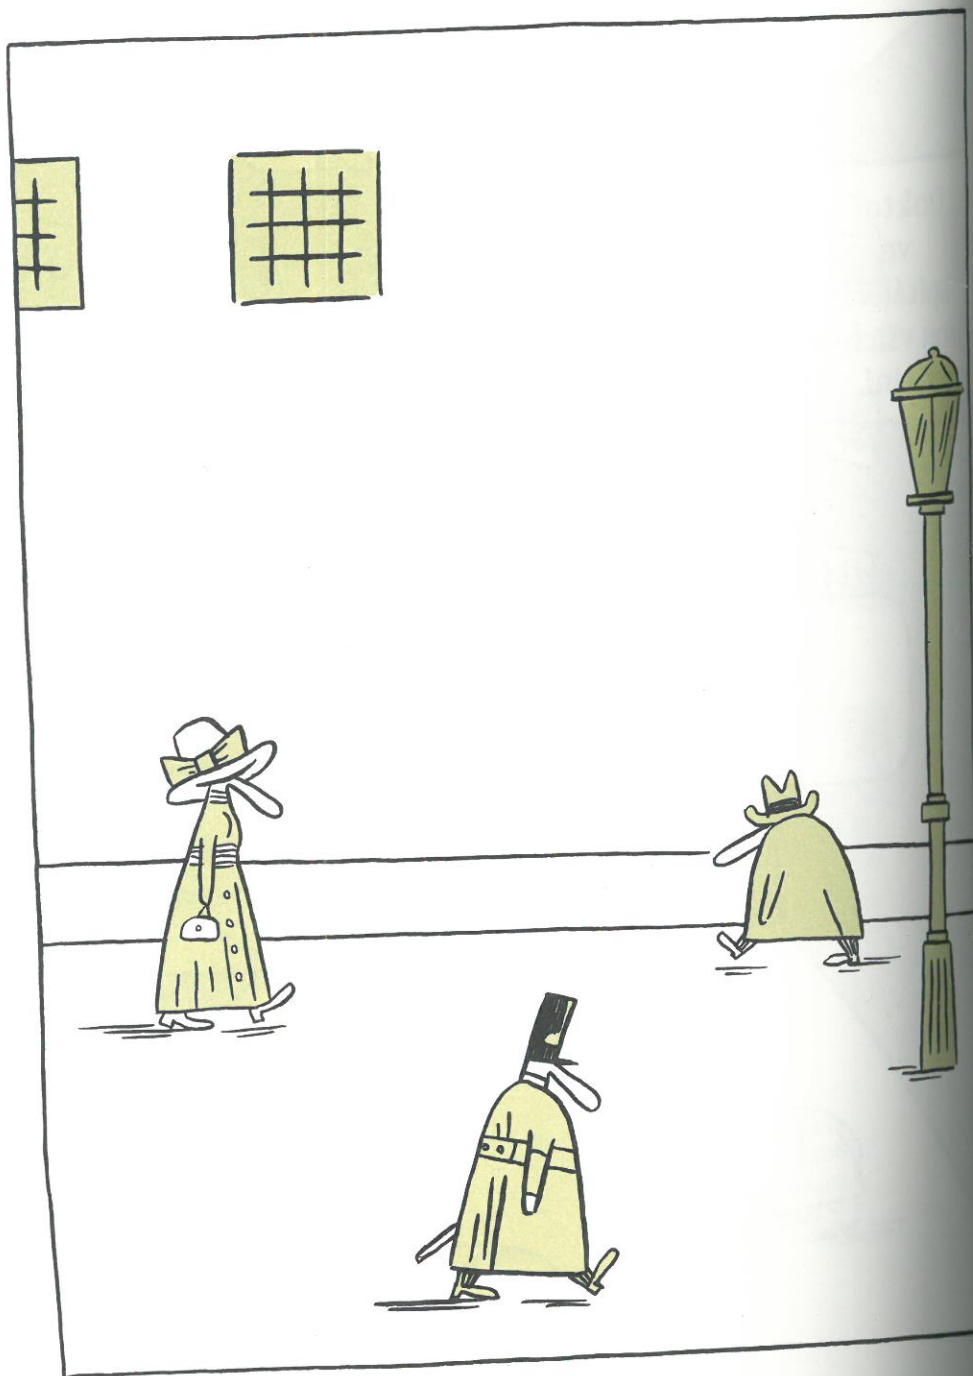

Doktoři
ve
špitálech
jsou všichni
stejní.

Vždycky
a všude
je to
stejně.

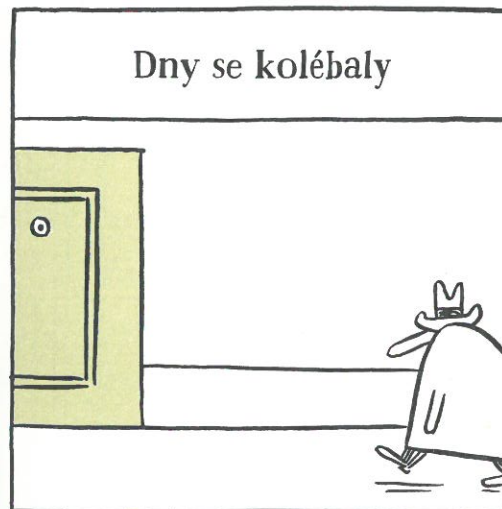

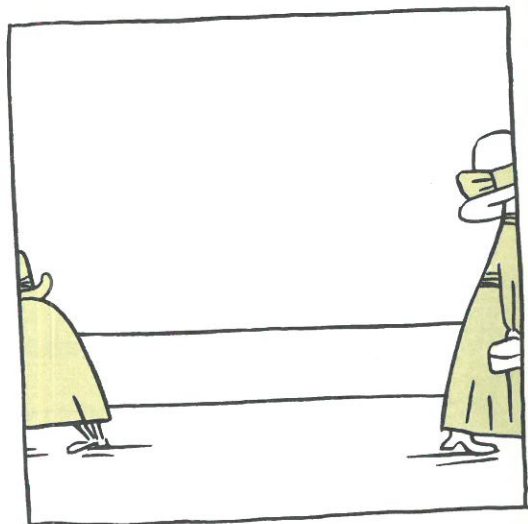

Lidi nic
nenapadá.

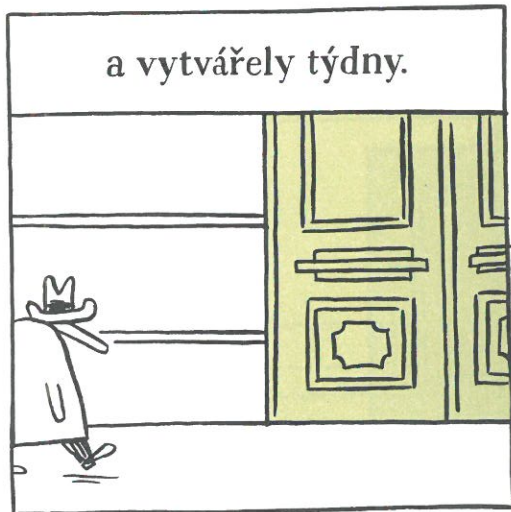

Aby tenhle svět
čert vzal!

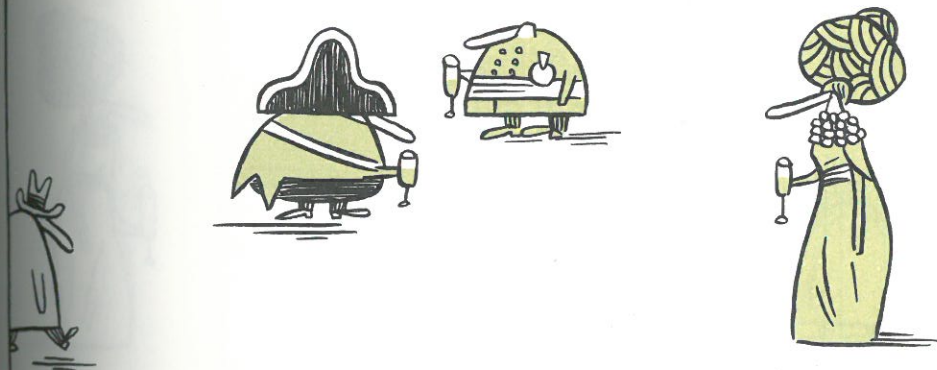

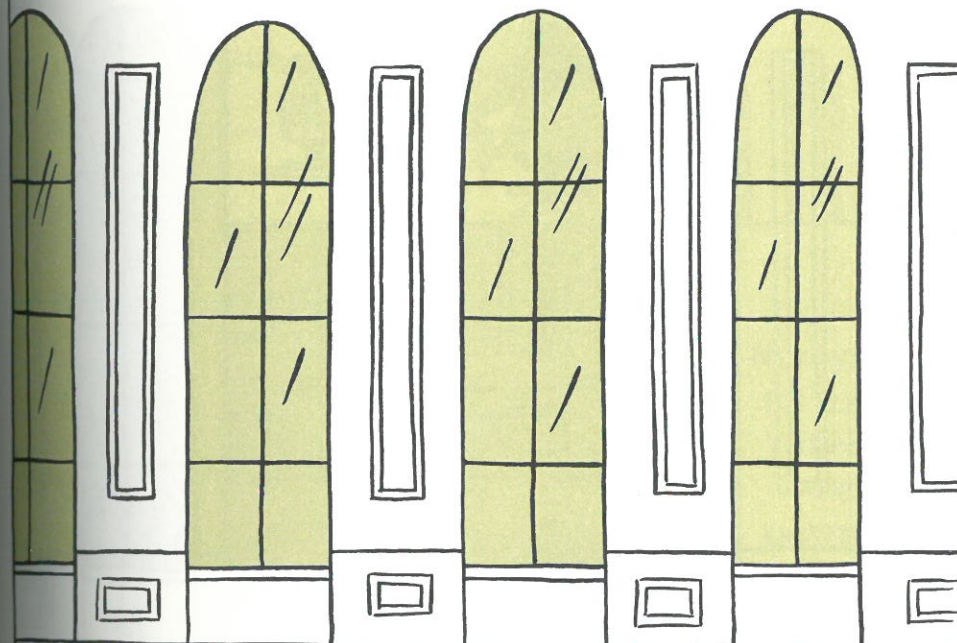

Myšlení zdravých lidí, kteří neseděli ve vězení,
se ostatně velmi podobalo tomu jeho.

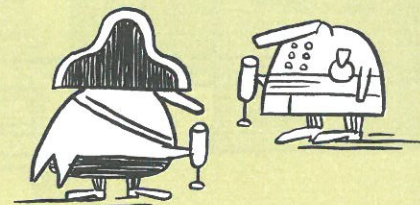

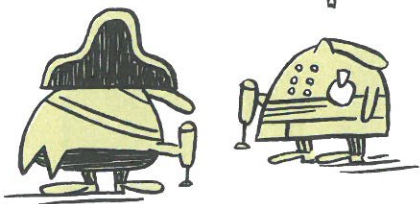

11

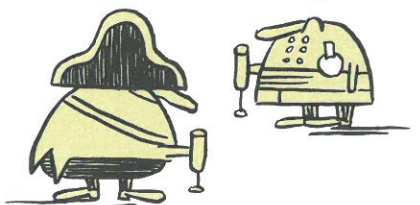

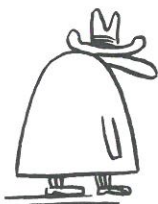

Snaha dosáhnout
nemožného

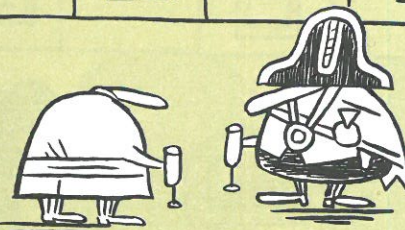

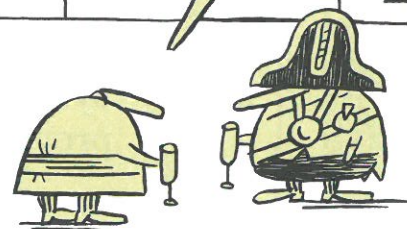

Účast ochabuje.

Mám pocit,
že se budeme muset brzy
pro něco rozhodnout.

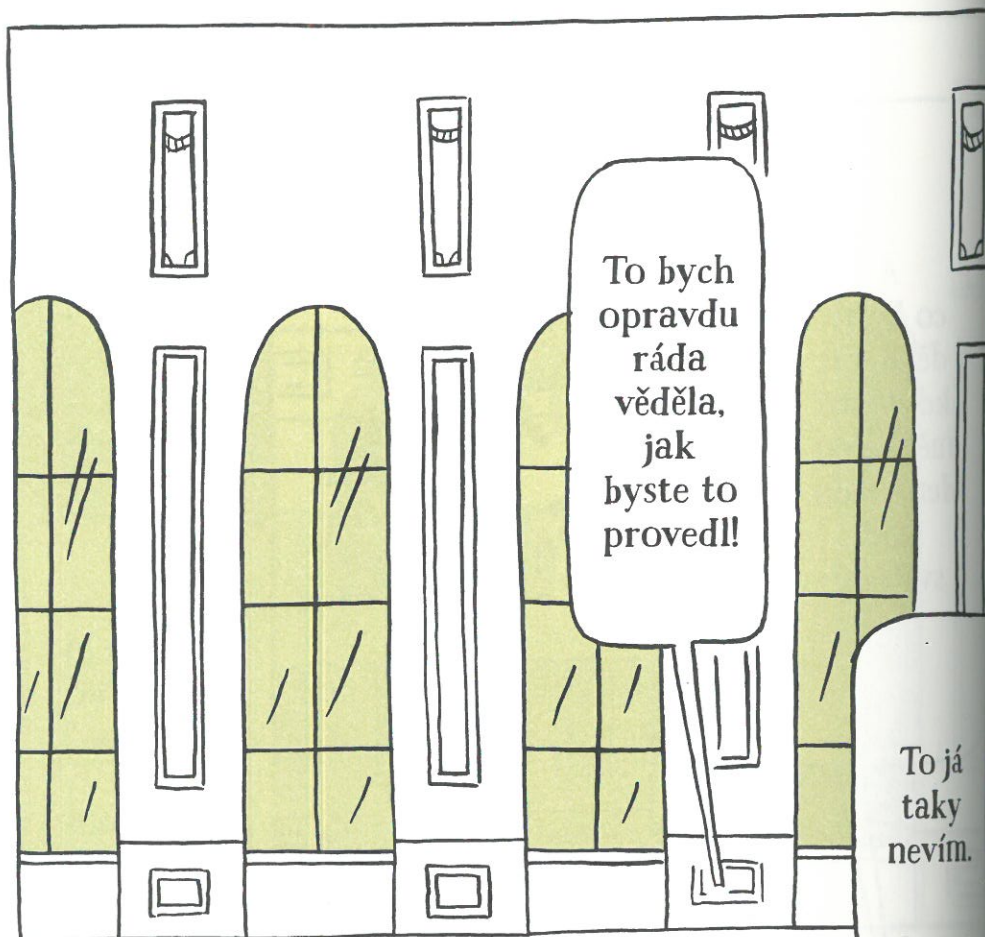

A
co byste
dělal vy,
kdybyste
měl jeden
den vládu
nad
světem?

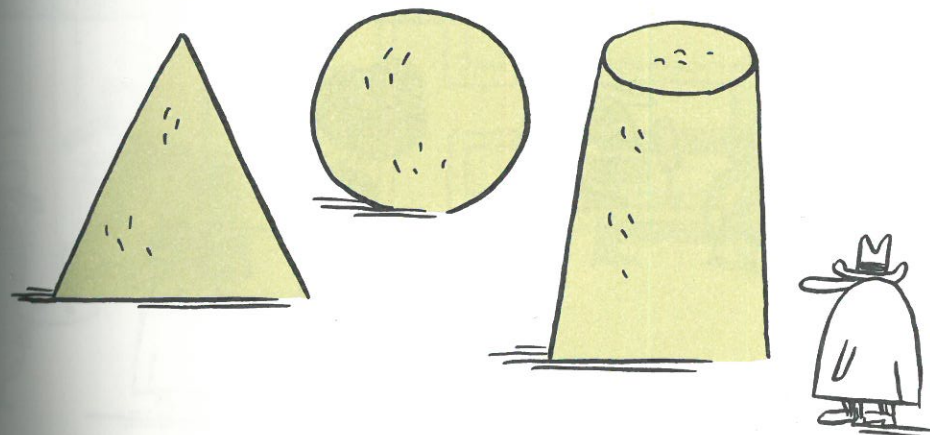

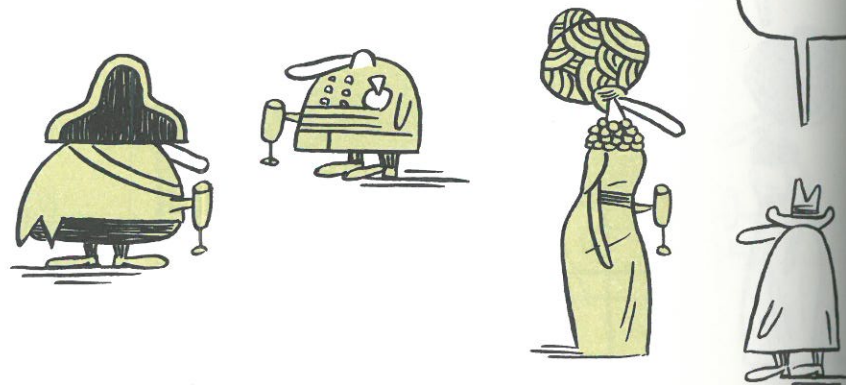

Nezbylo by
mi asi nic
jiného,
než
odstranit
realitu.

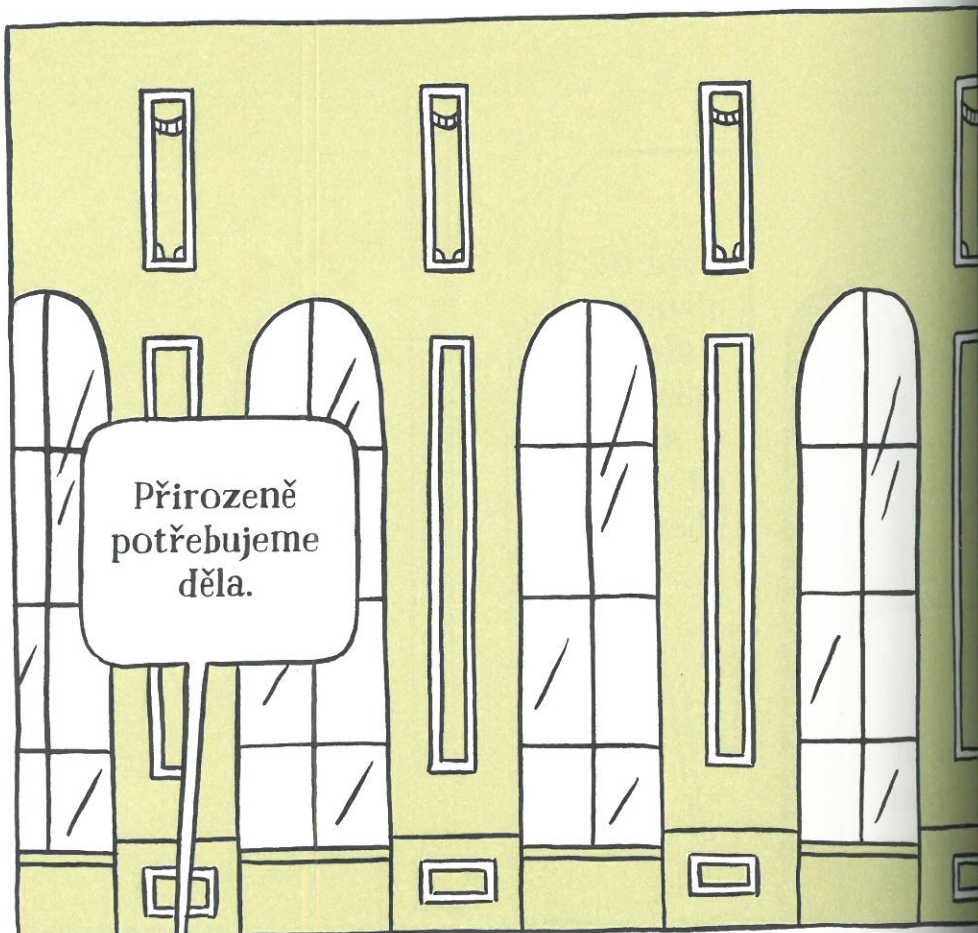

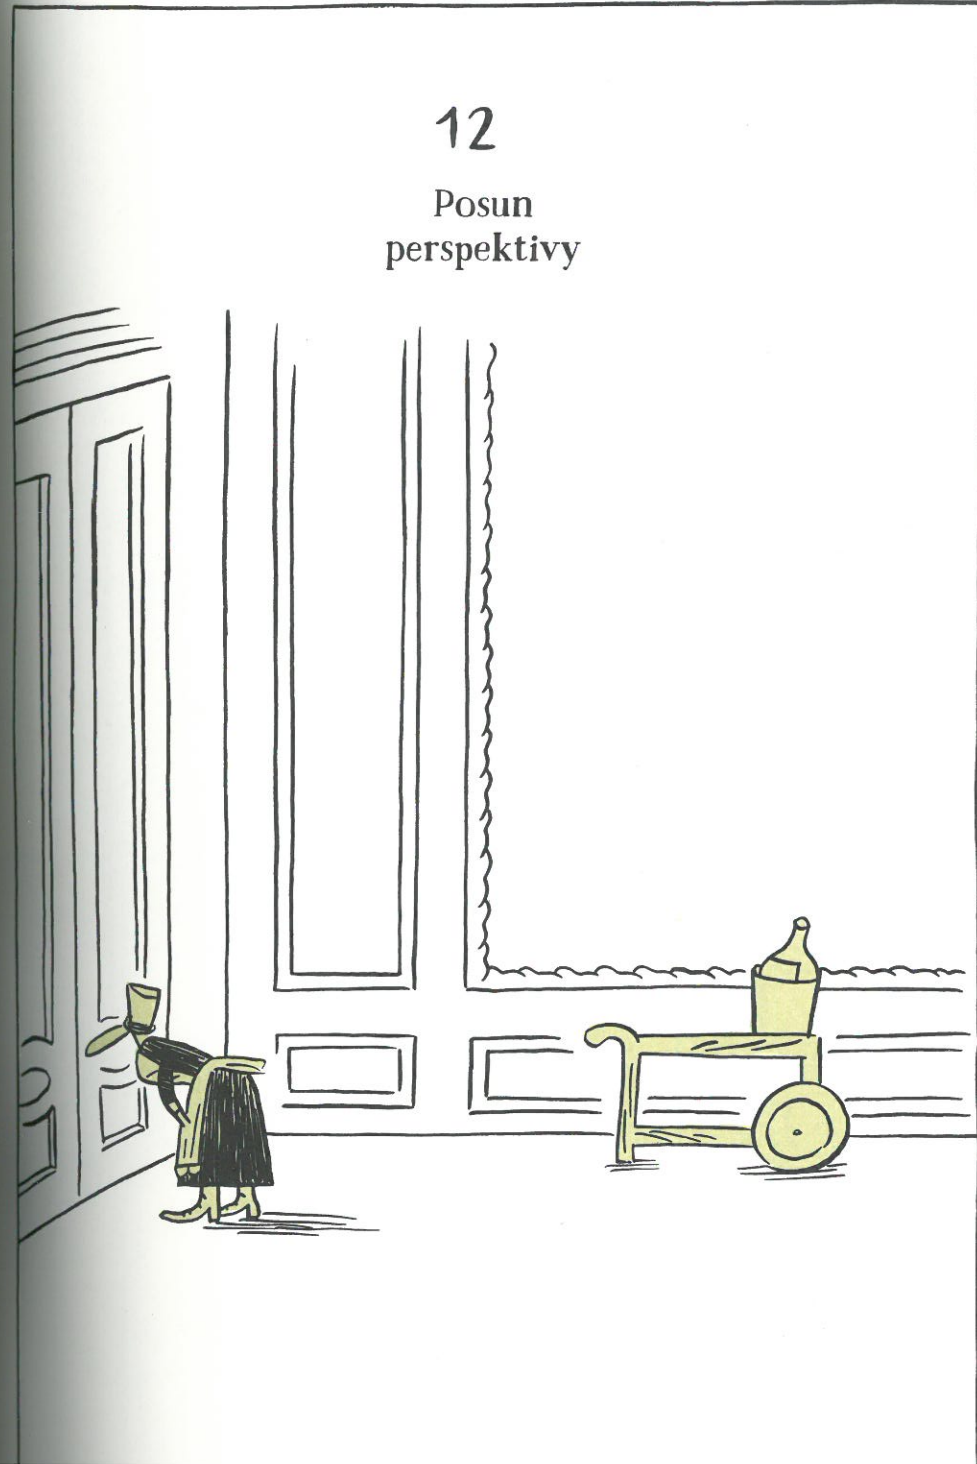

To bych
opravdu
ráda
věděla,
jak
byste to
provedli!

To já
taky
nevím.

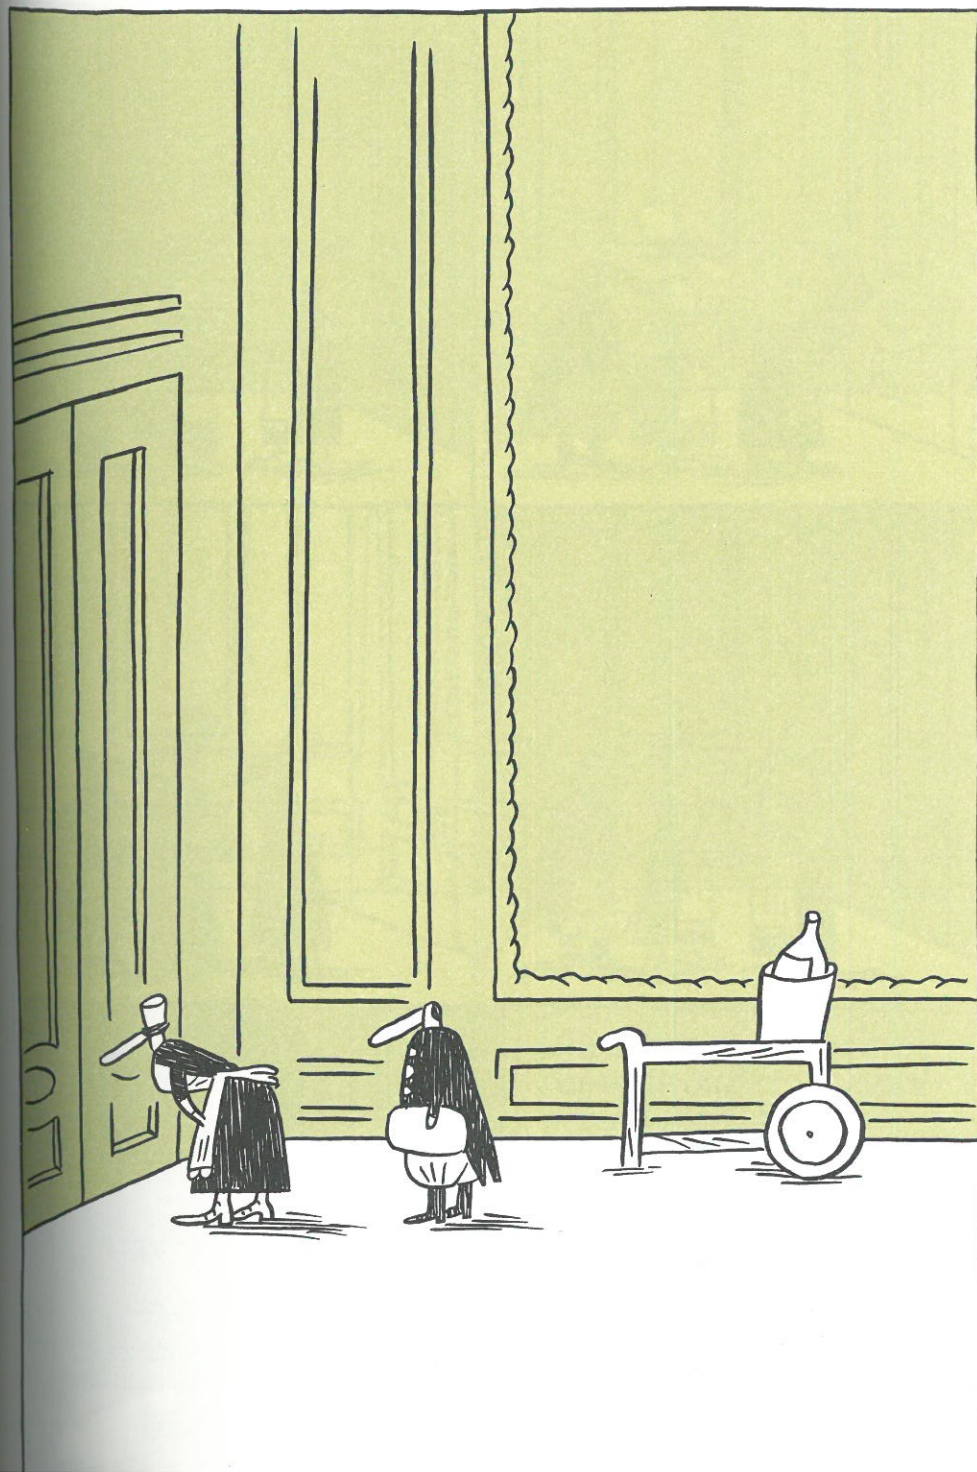

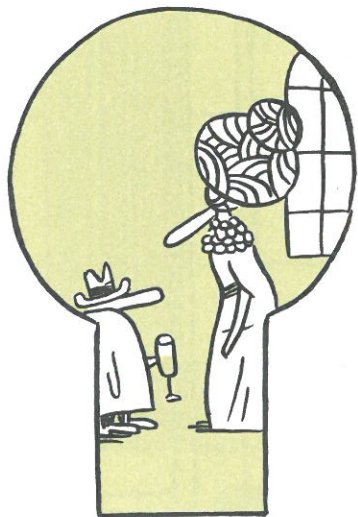

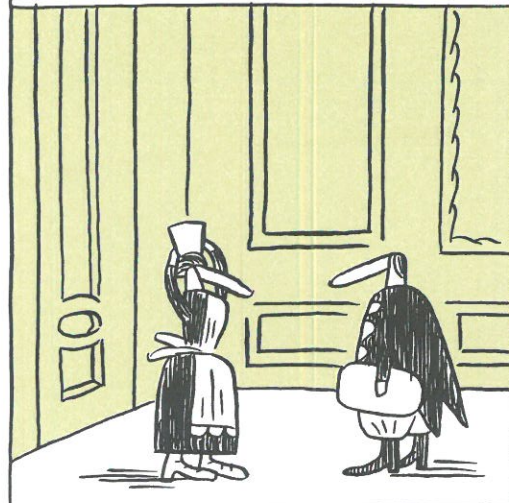

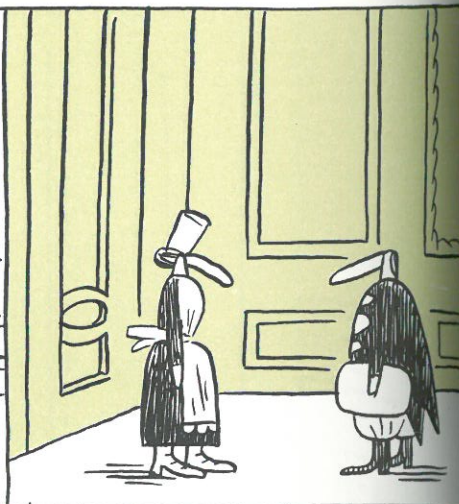

Přirozeně
potřebujeme
děla.

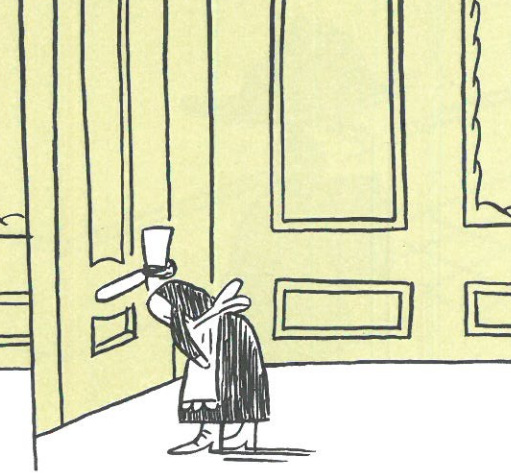

12

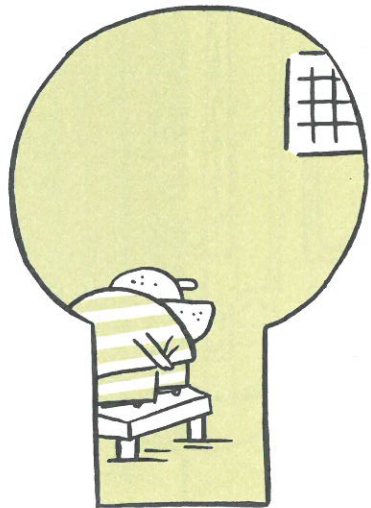

Posun
perspektivy

Tam uvnitř se teď bude zase projednávat něco velmi důležitého!

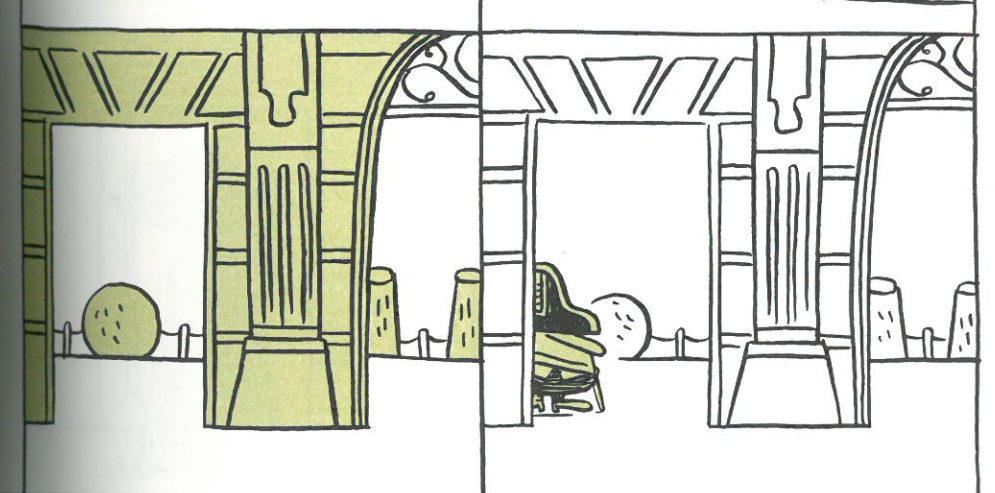

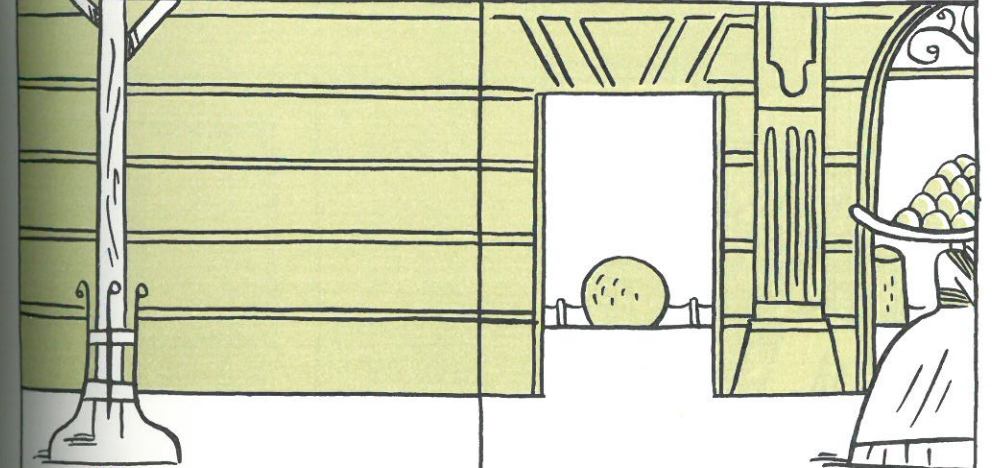

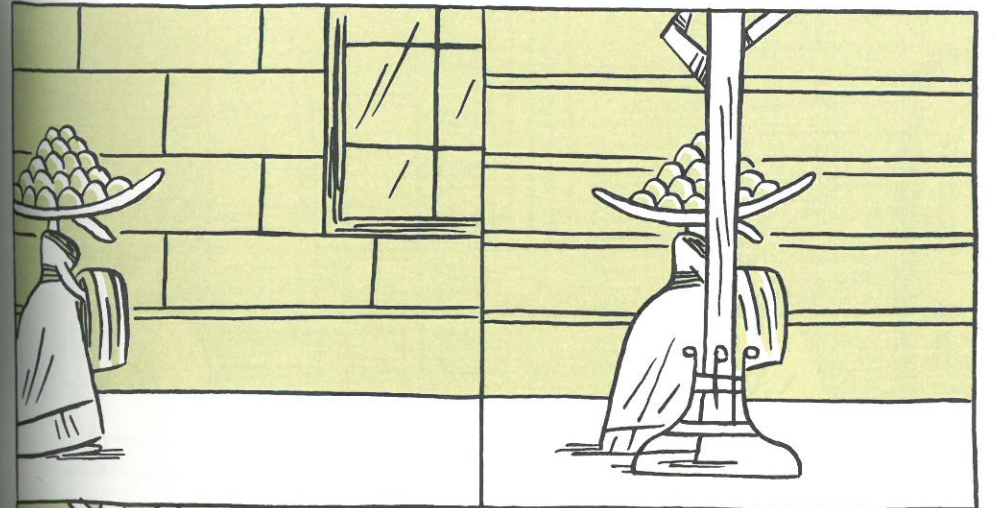

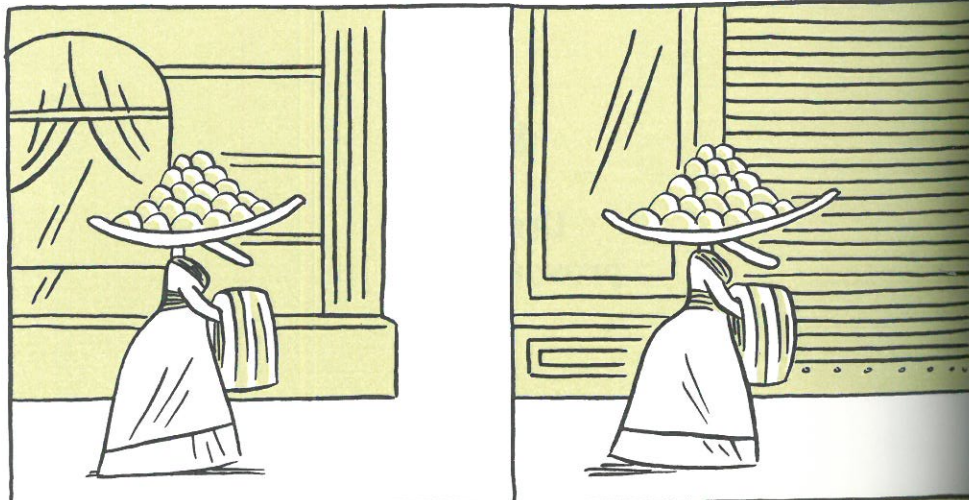

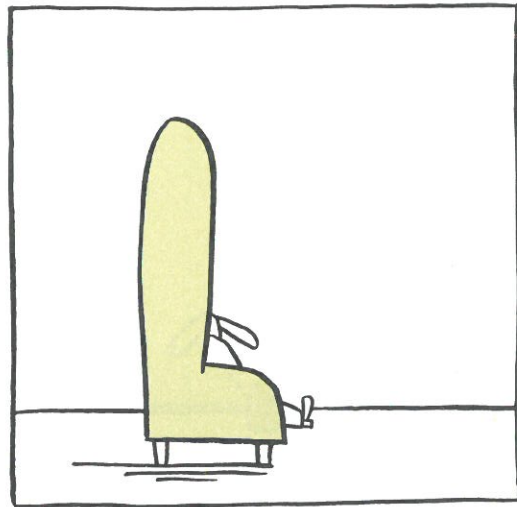

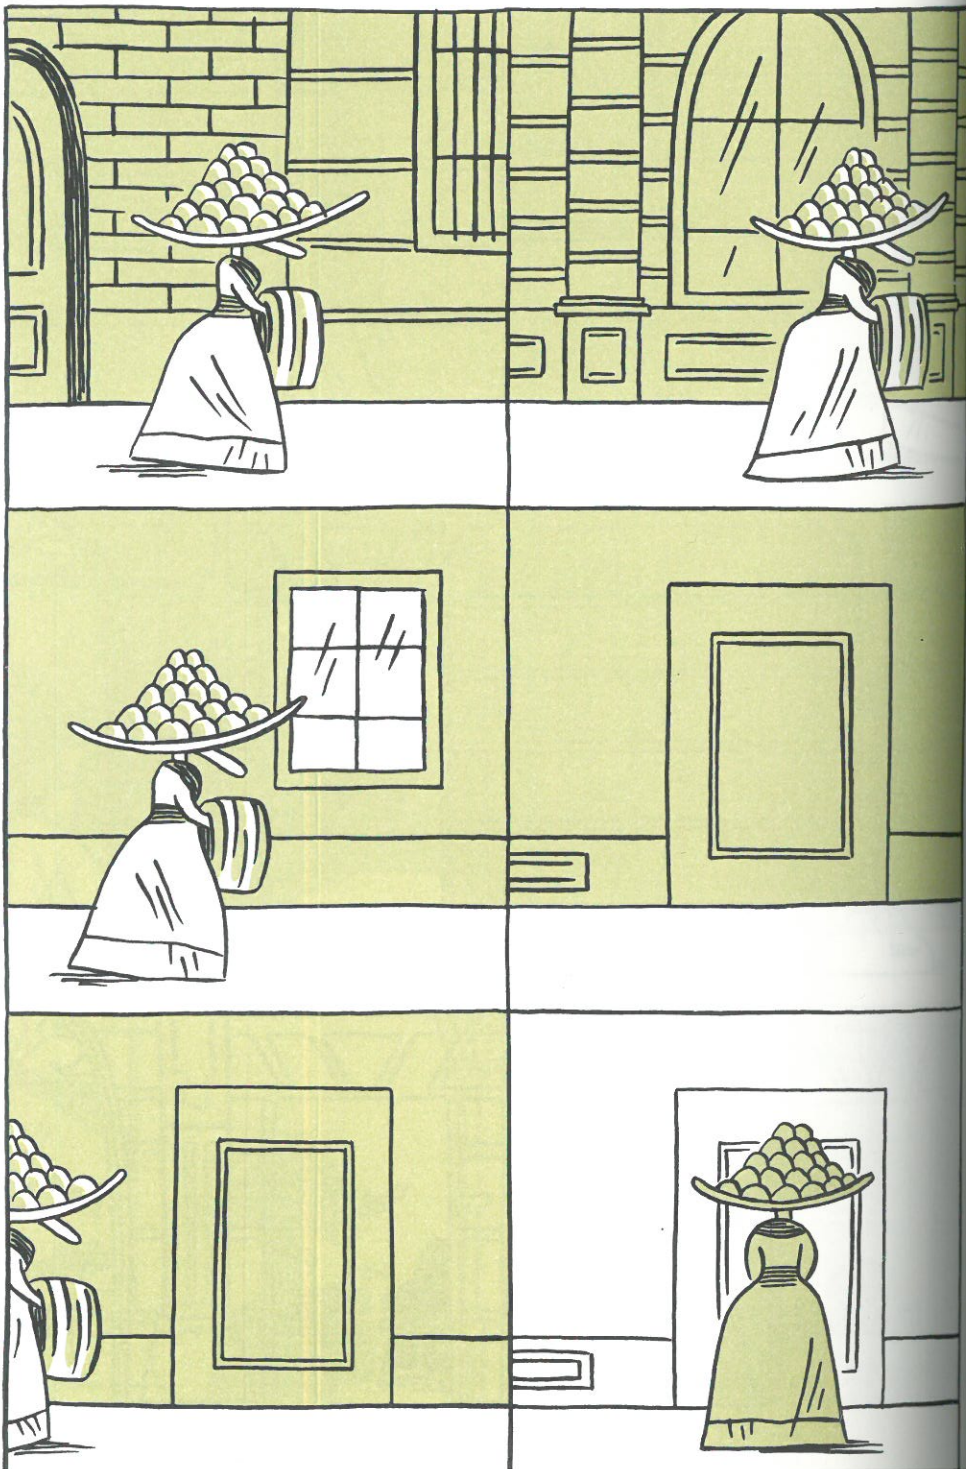

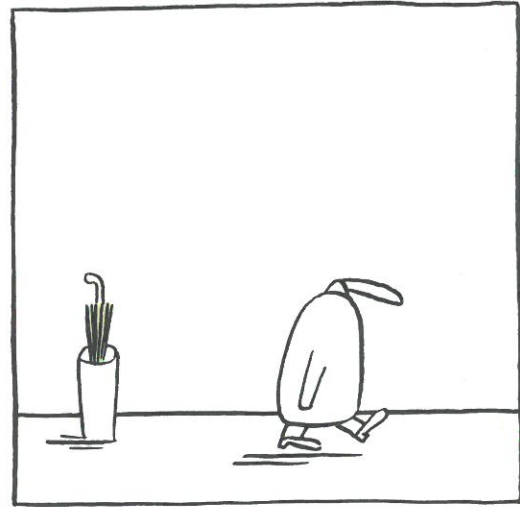

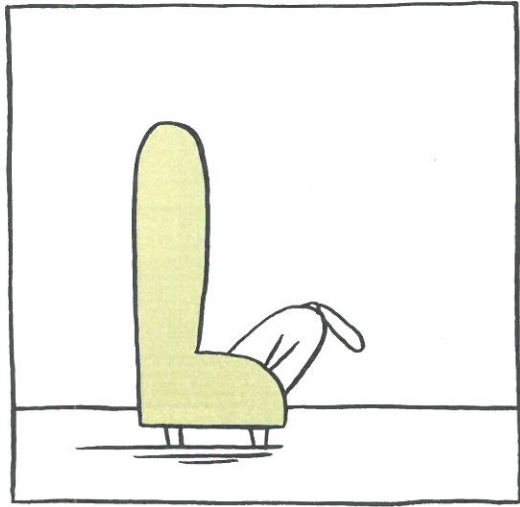

13

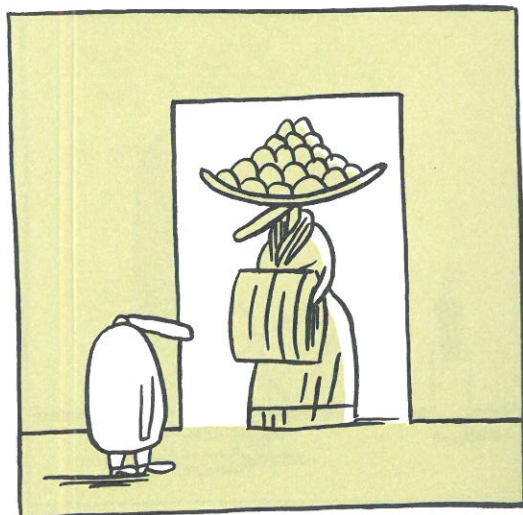

Utrpení
provdané duše

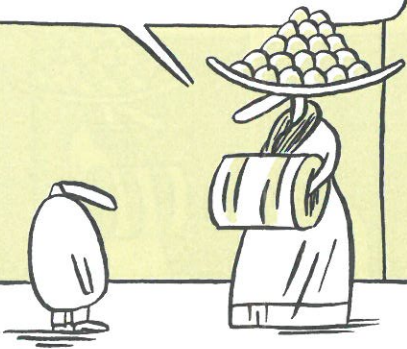

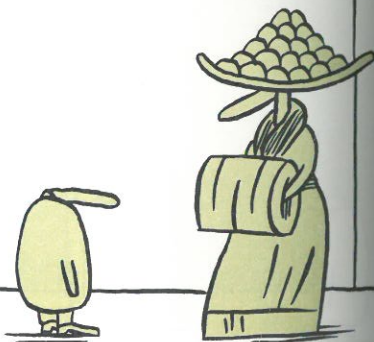

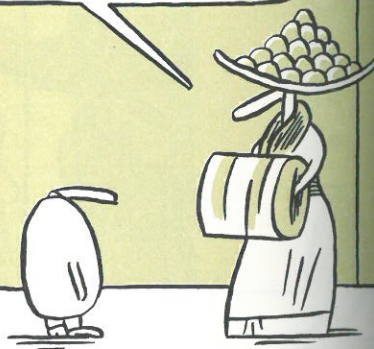

Teď nic neříkej.

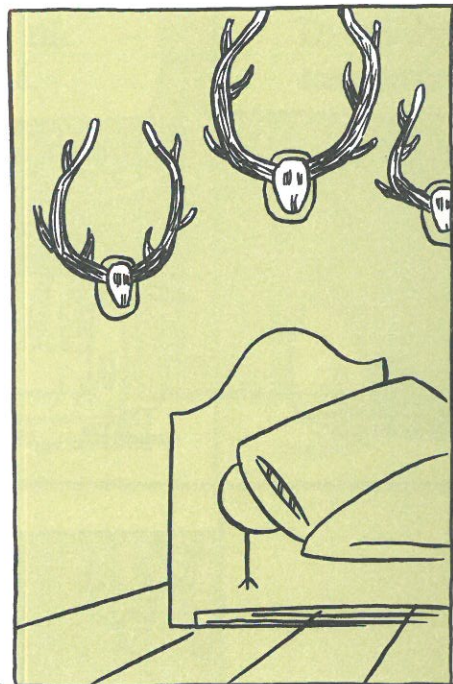

Co se povídá, nic
neznamená.

To nikdy nic
neznamená!

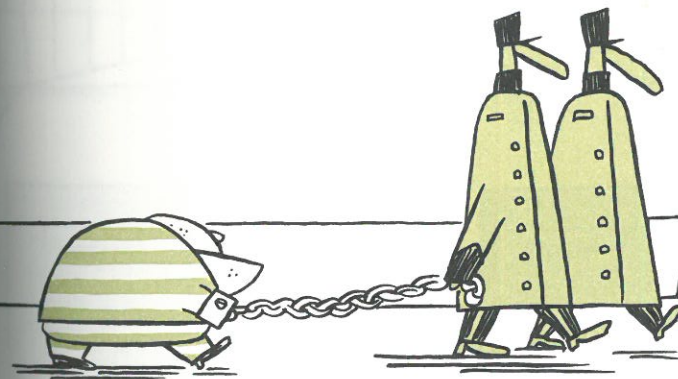

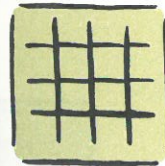

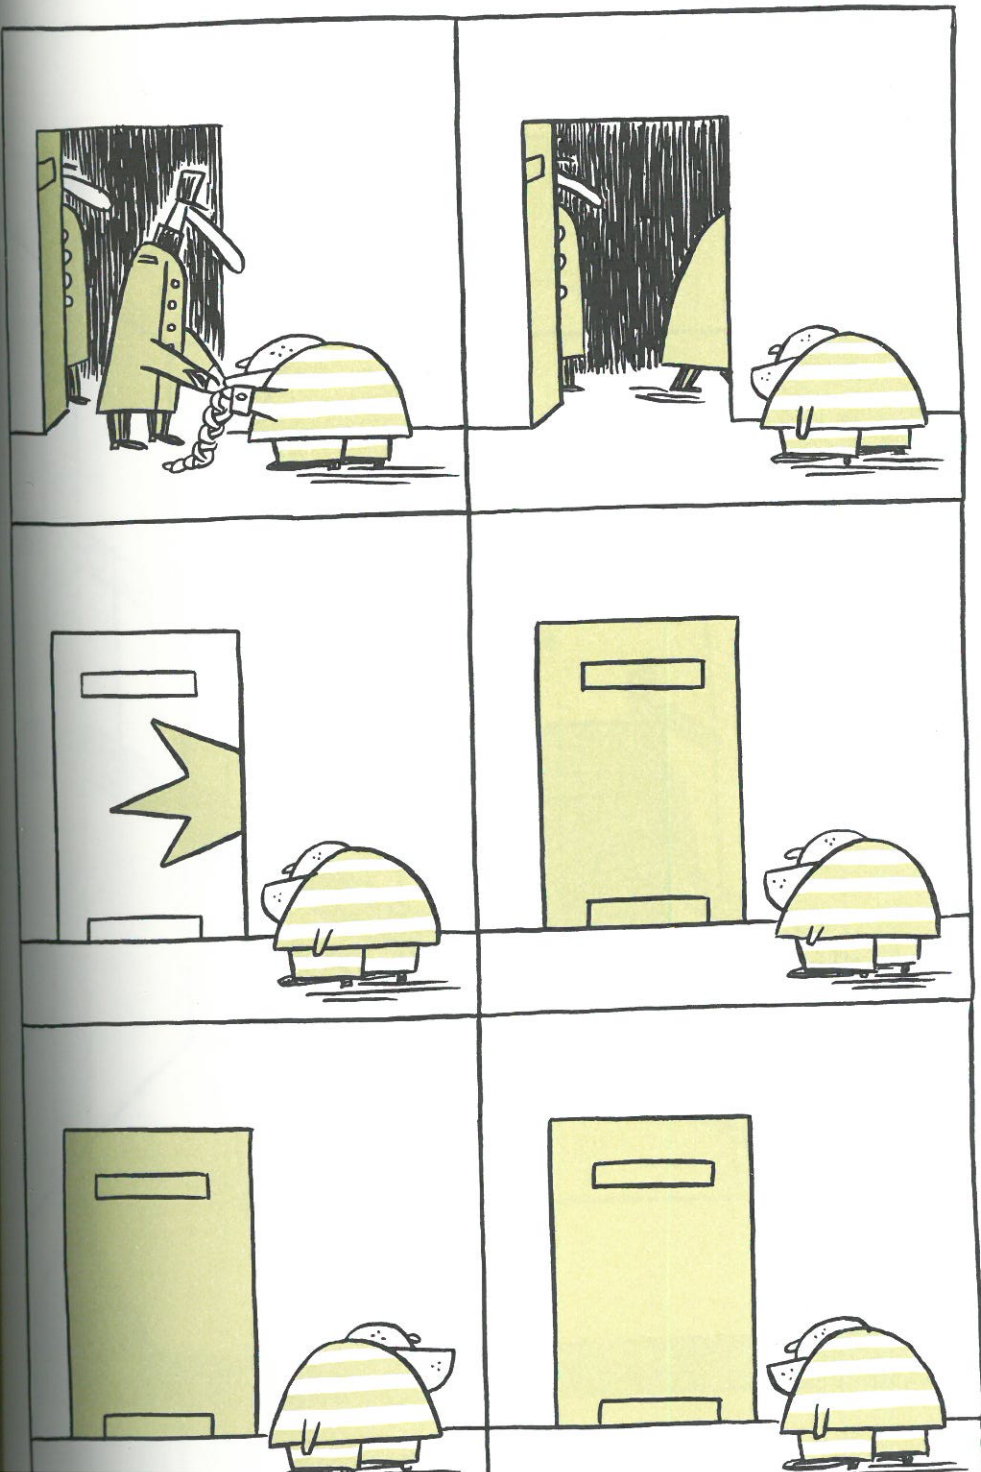

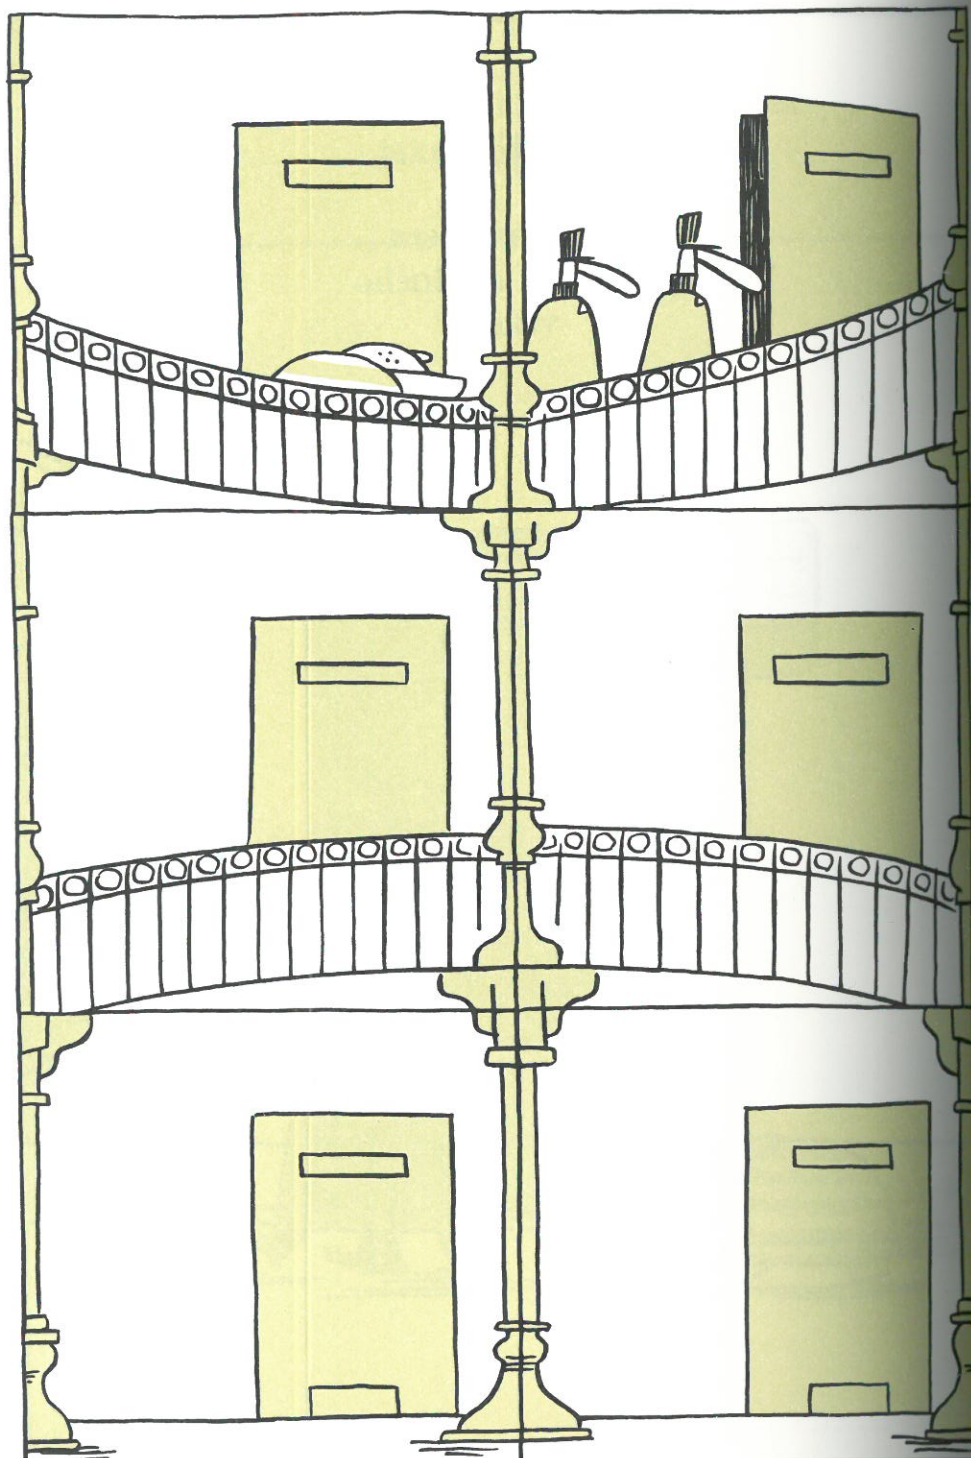

S láskou už to nemělo nic společného,
jako třpyt ryby.

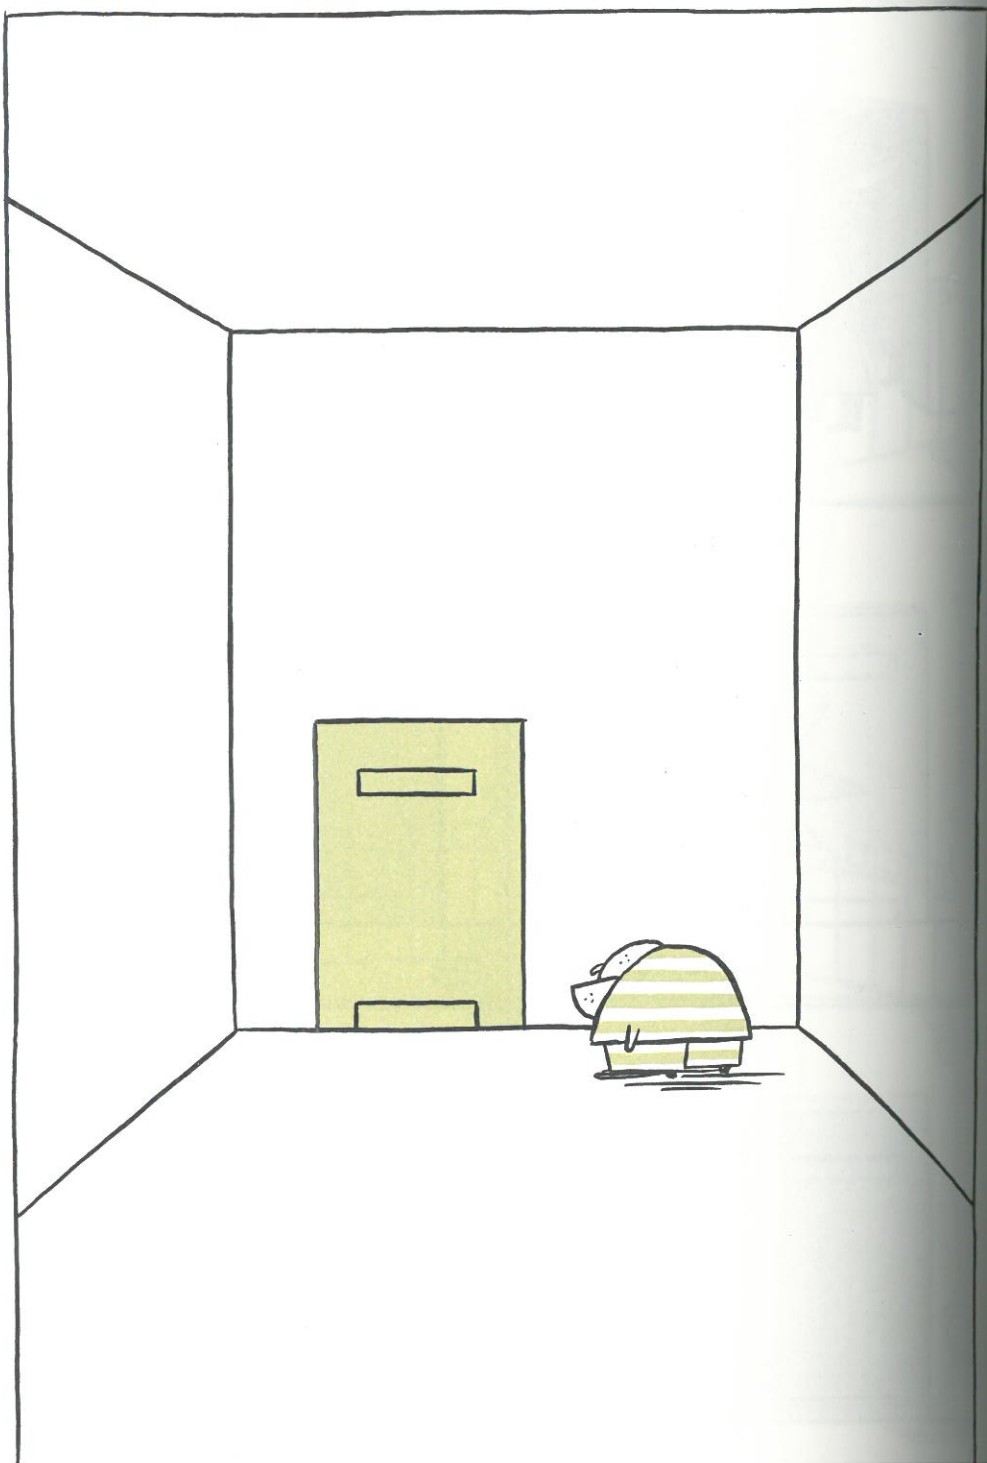

14

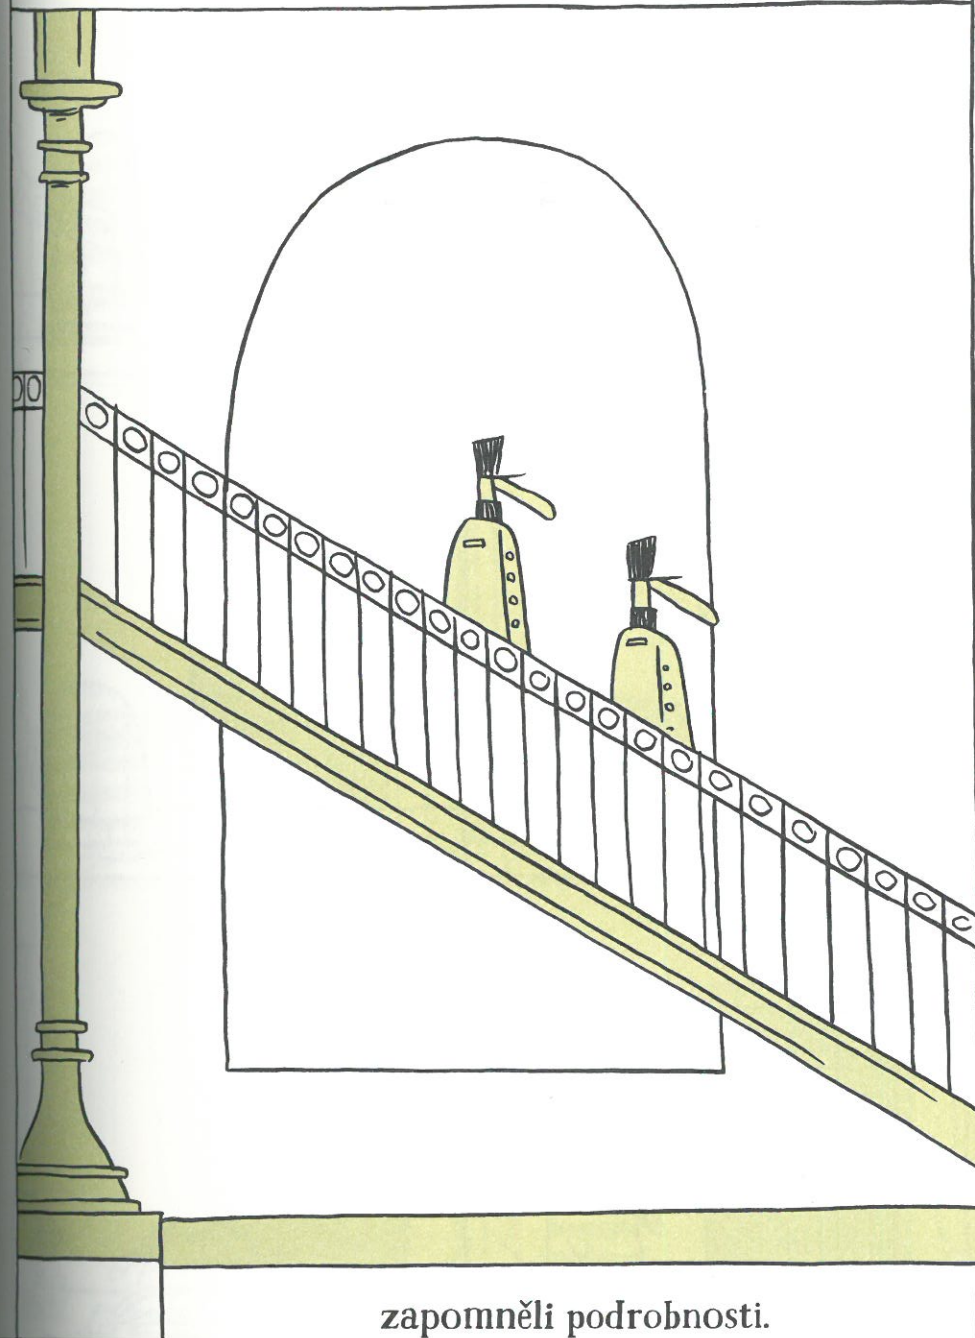

Moosbruggera
převádějí do jiného
vězení

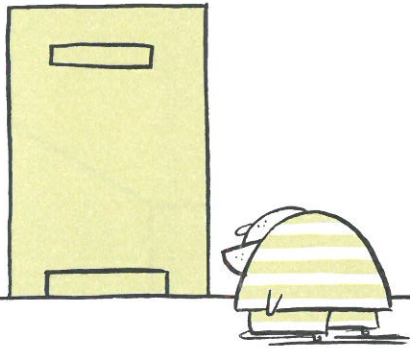

Zapomněli, jak se jmenuje,

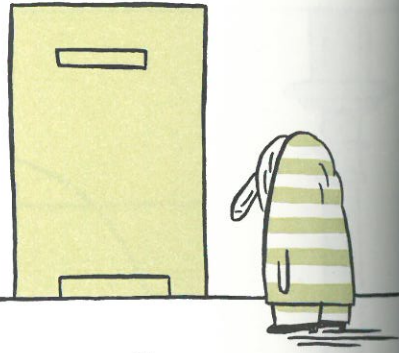

zapomněli podrobnosti.

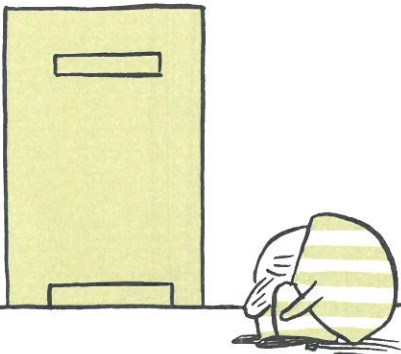

Stala se

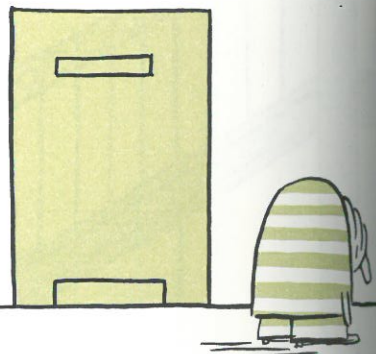

z něho

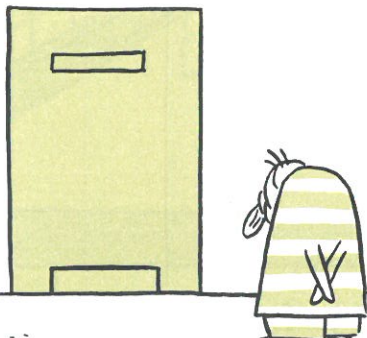

„veverka“,

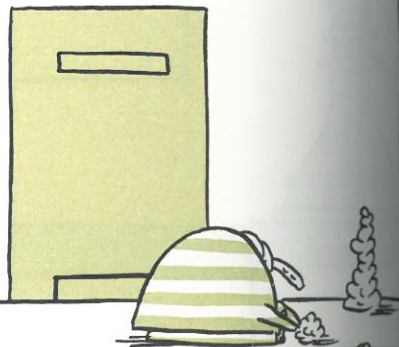

„zajíc“

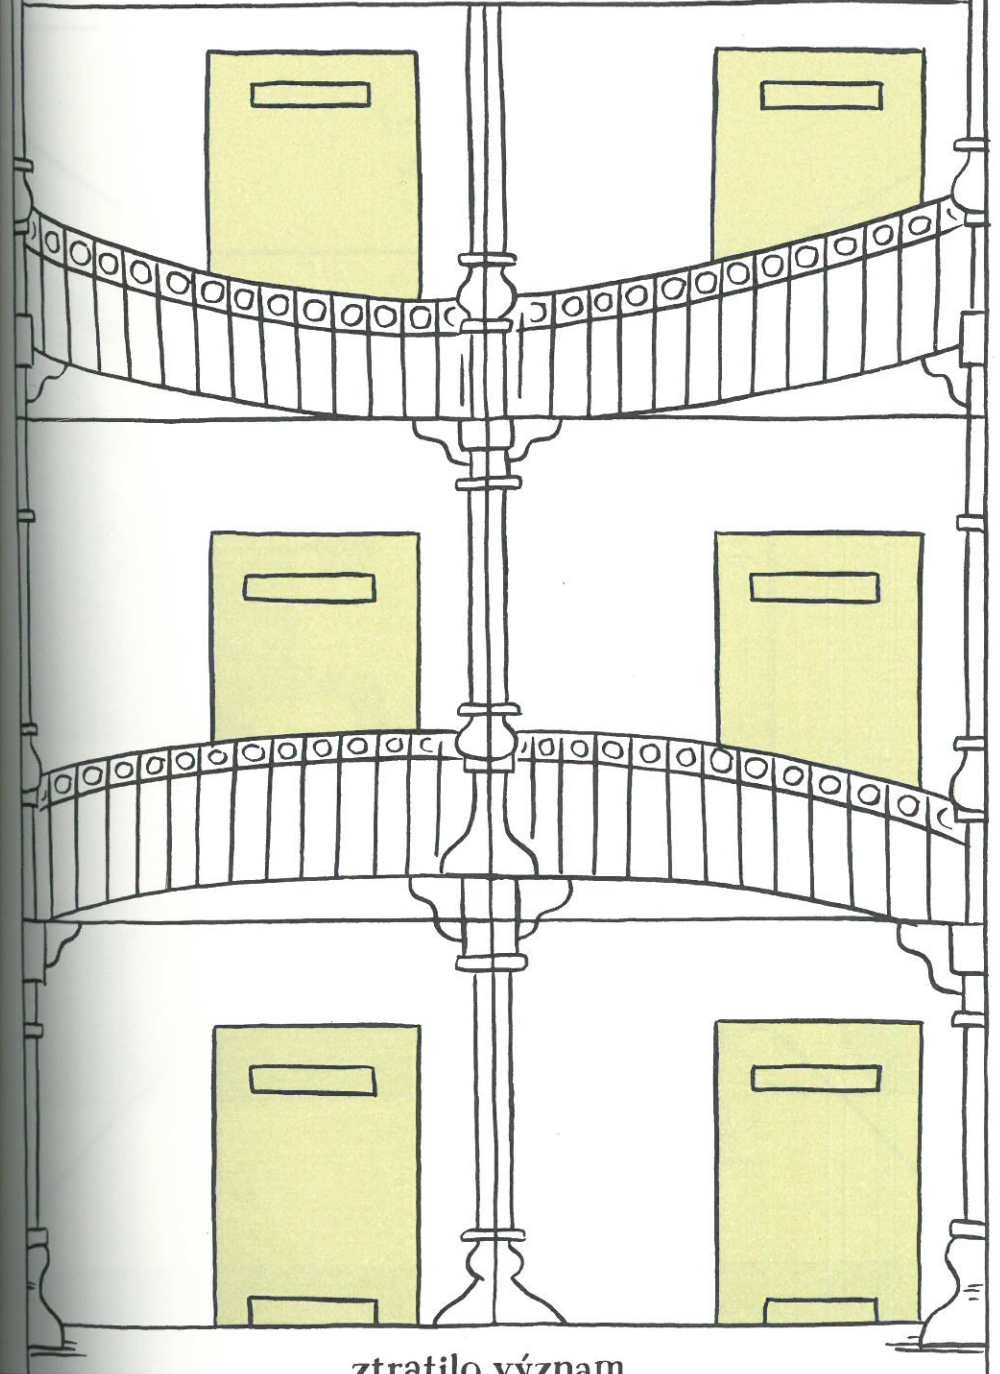

nebo

„liška“,

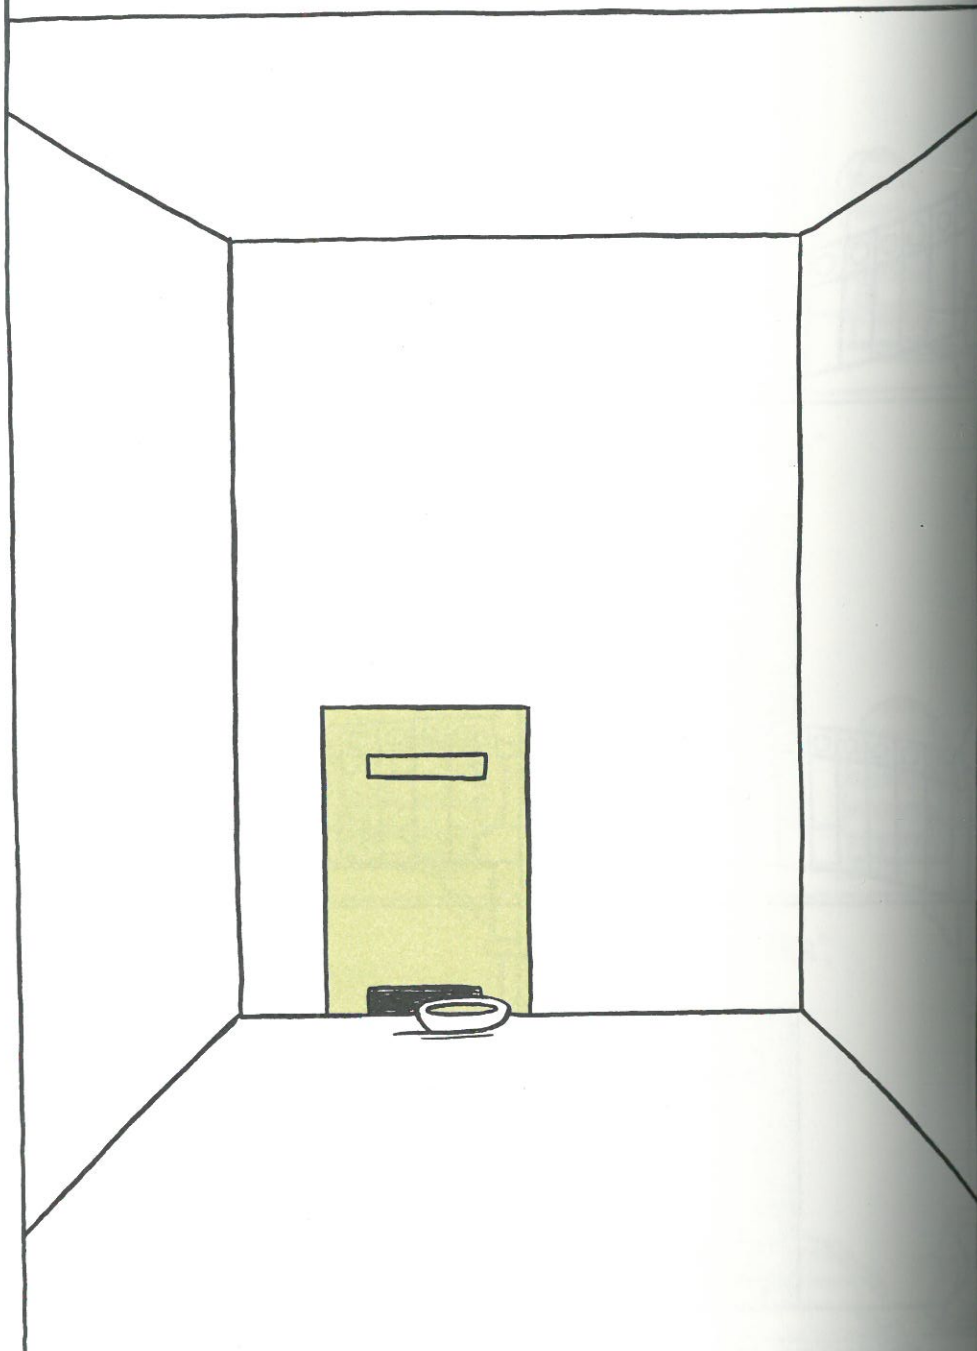

přesné rozlišování

ztratilo význam

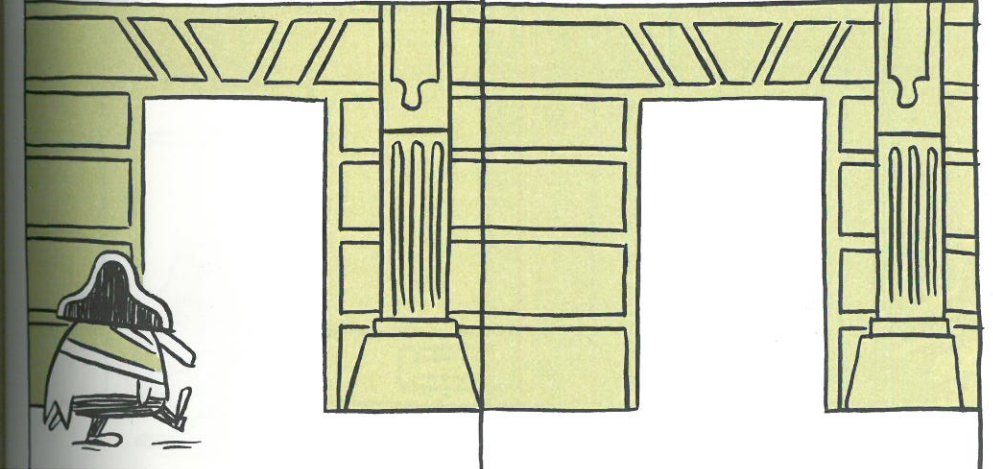

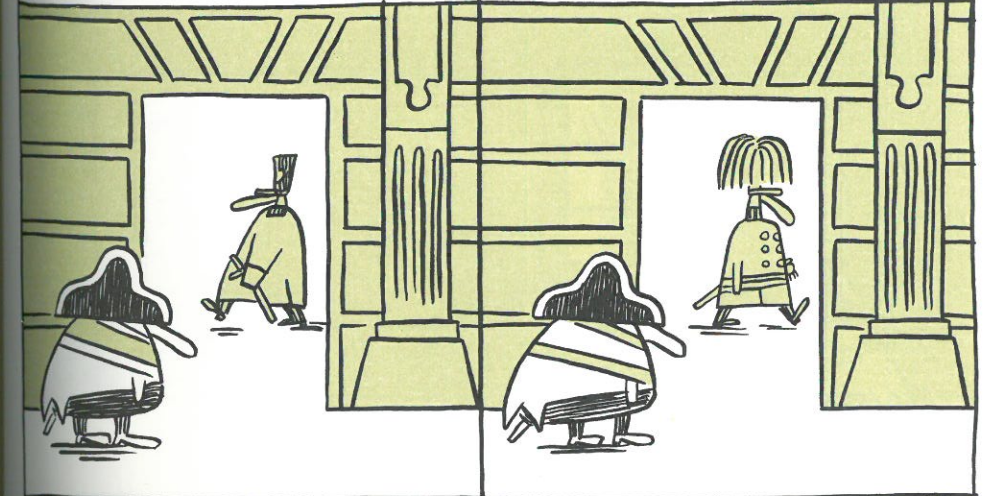

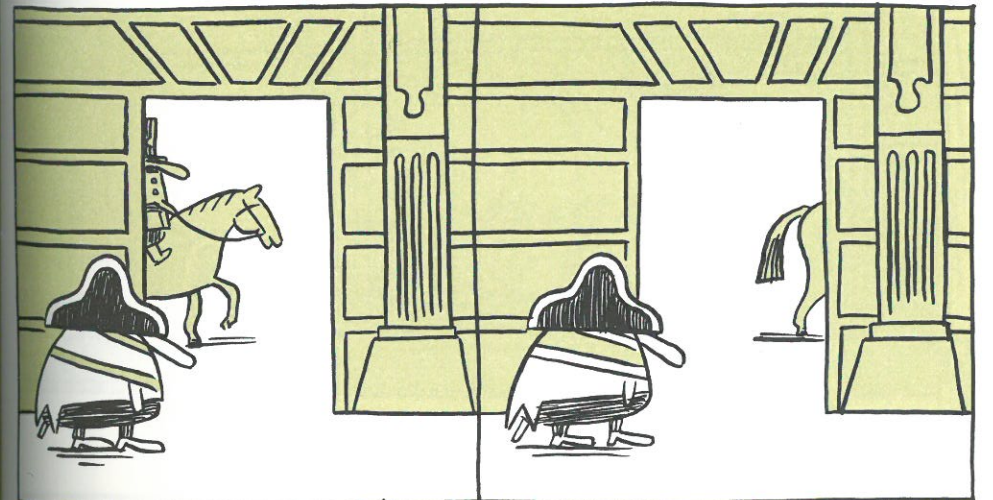

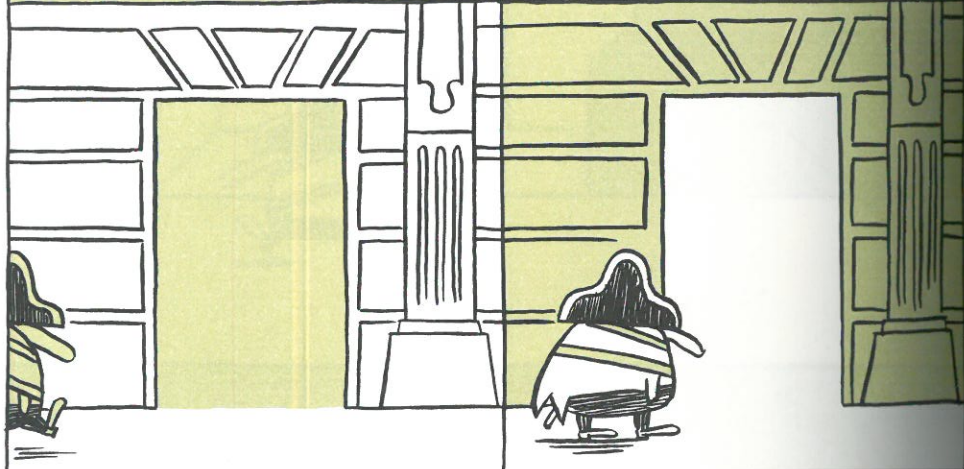

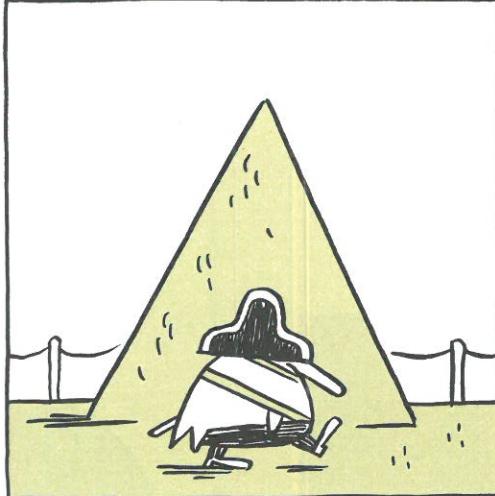

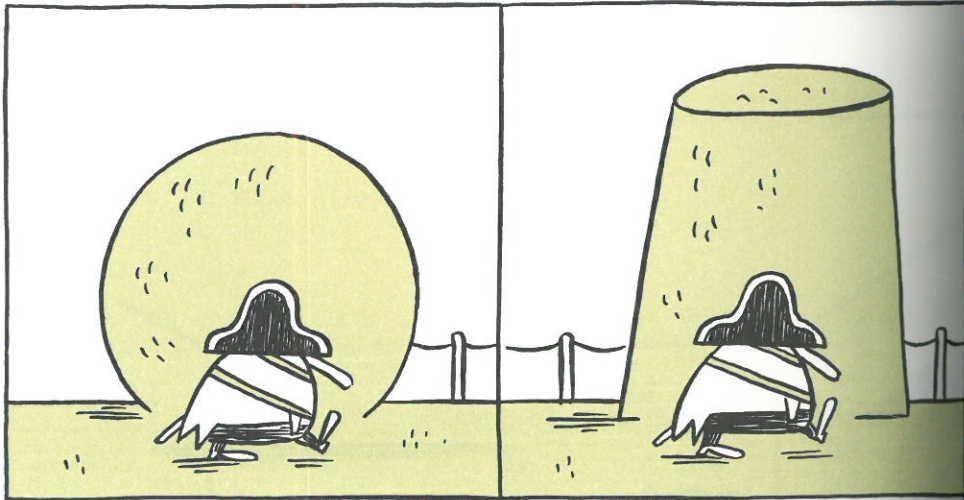

Polévku donesli přesně.

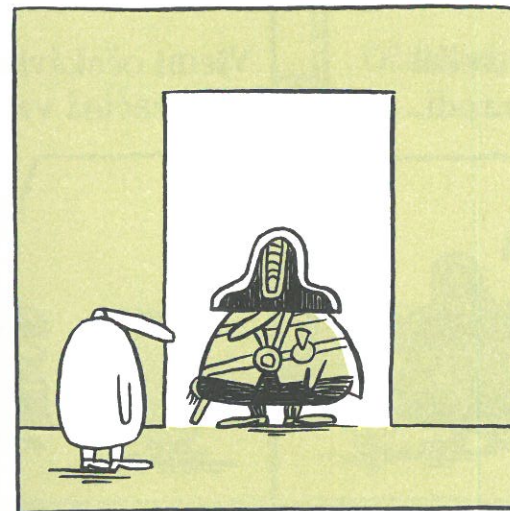

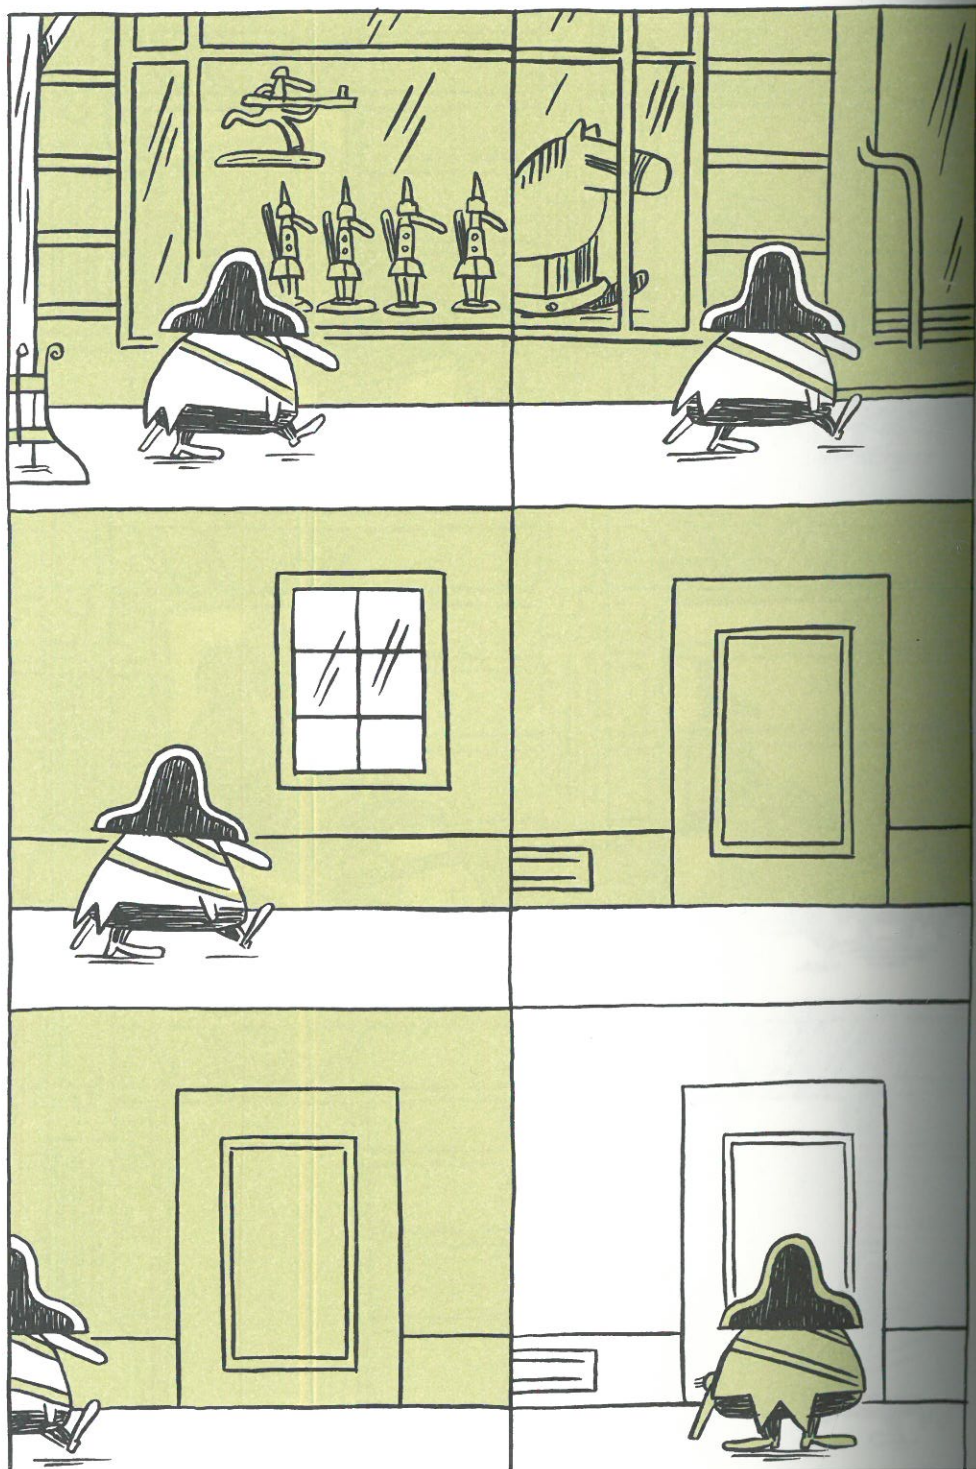

15

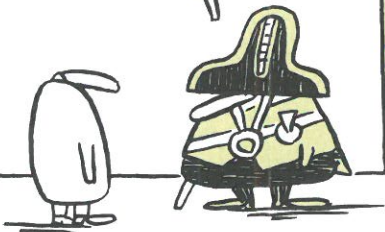

Velká událost
je ve stavu
zrodu.

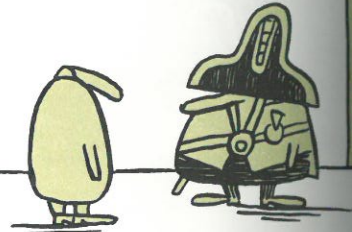

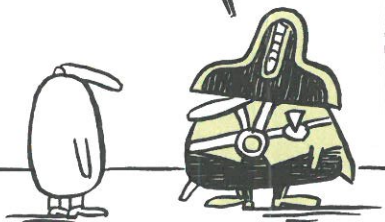

Bylo vydáno
heslo činu.

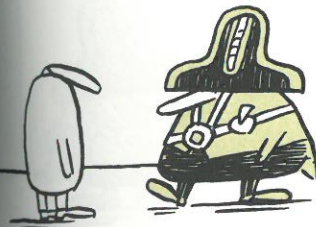

Všemi očekávaná událost
začíná vznikat.

Myslím, že „velká
událost“ se rodí.

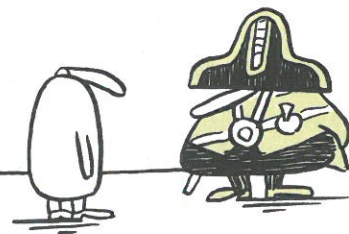

Takže dnes večer

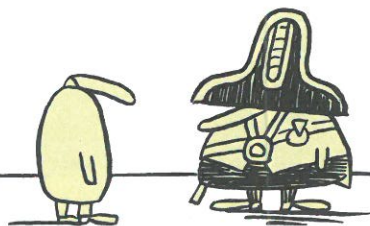

něco začne.

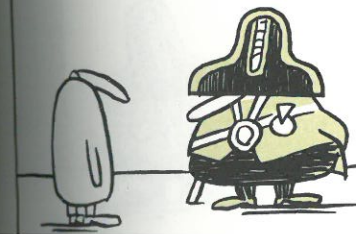

Očekávám událost.

To ale přece činí
už od začátku.

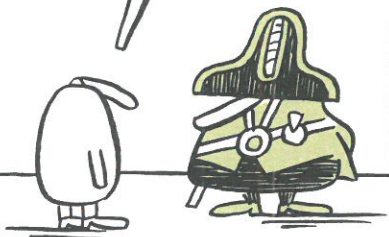

Vaše Excellence
má pocit:

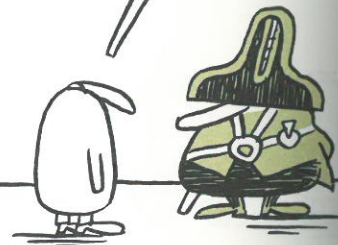

nastal čas.

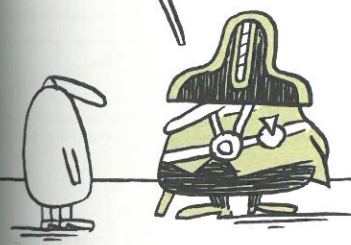

Ale čas k čemu?

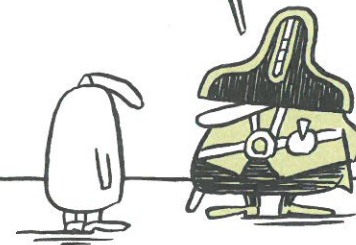

Co se rozhodlo?

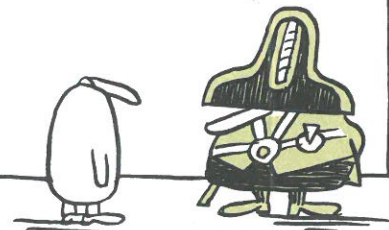

Bylo to něco
v Moosbruggerův
prospěch

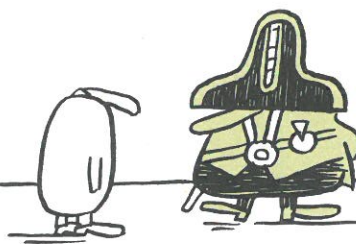

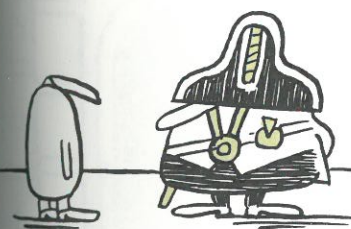

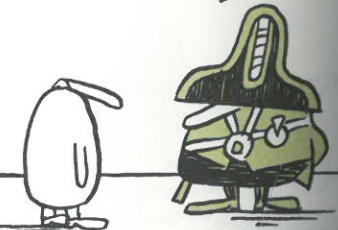

a proti armádě.

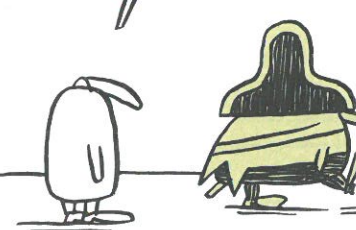

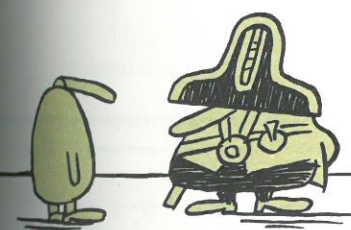

Přesně to
nedokážu říct.

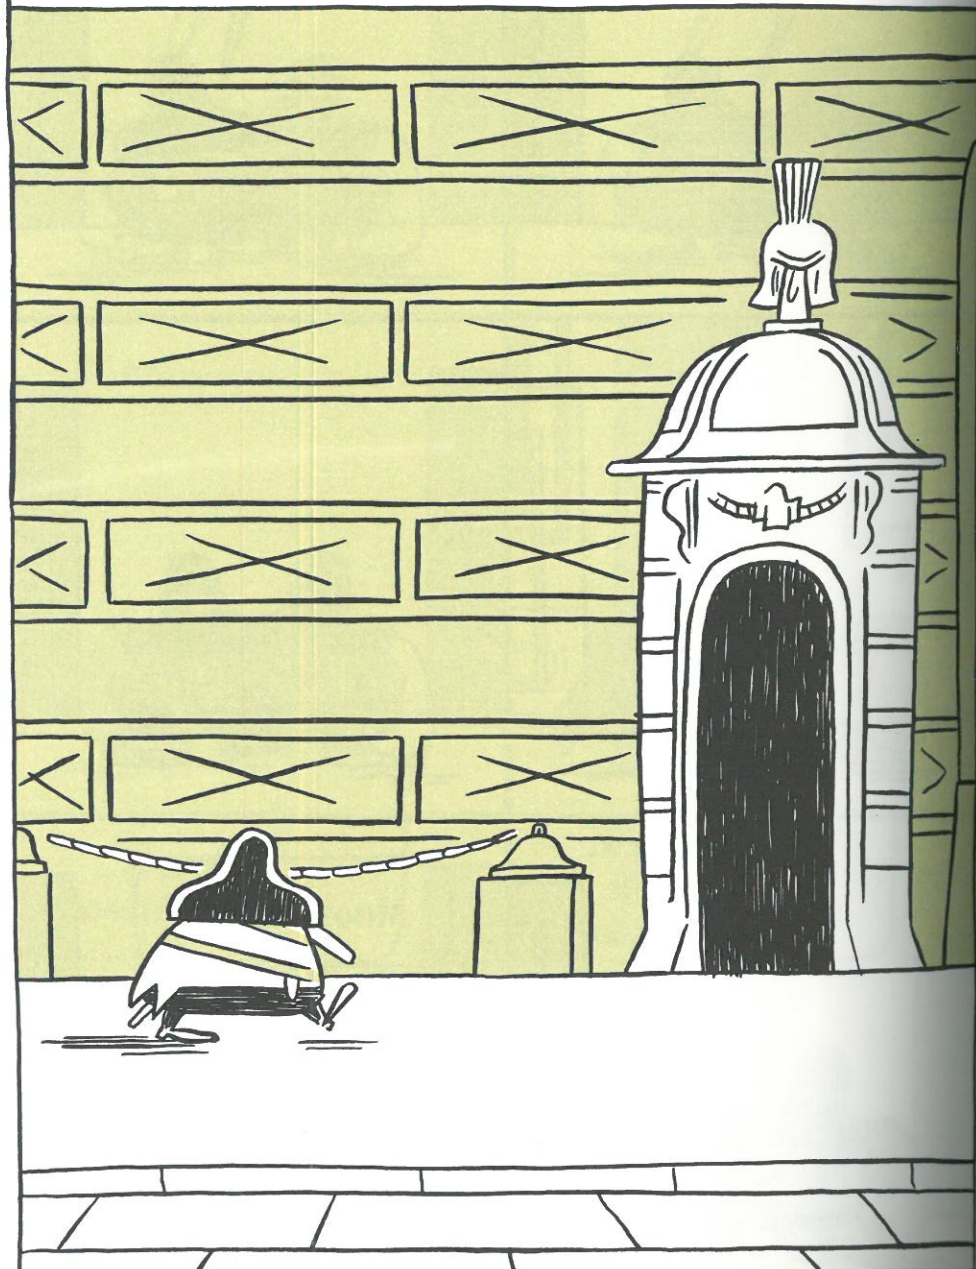

Něco takového
si člověk ani
nezapamatuje.

Moosbrugger!

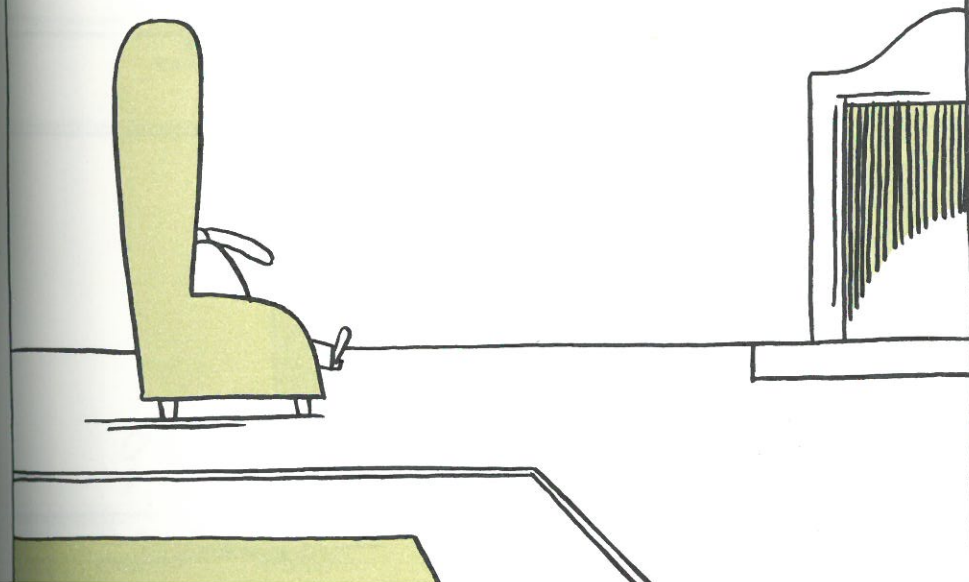

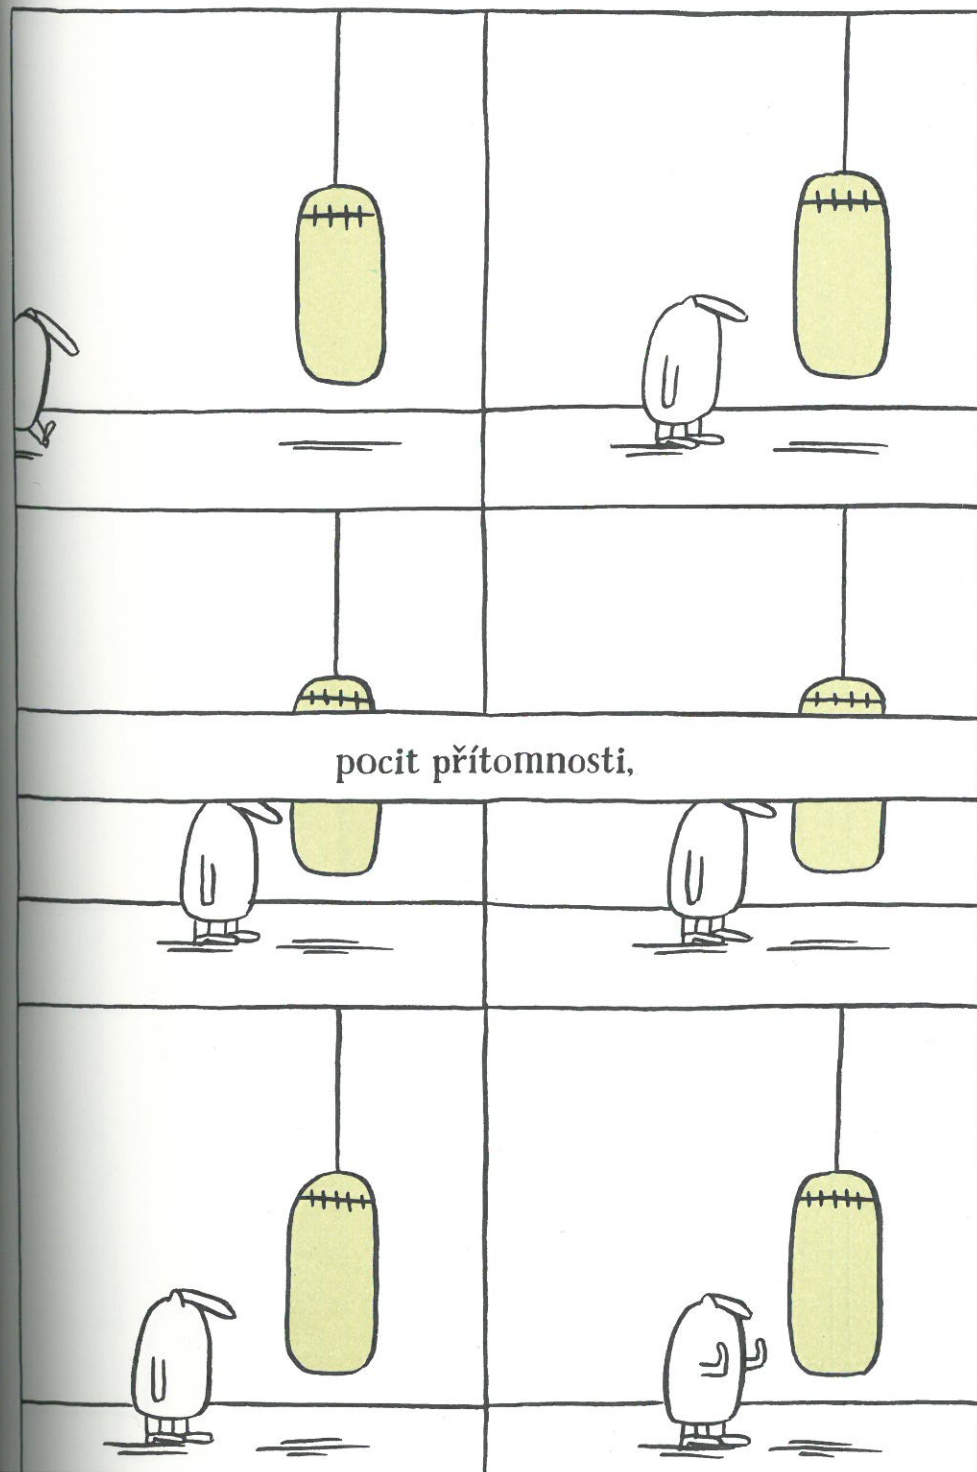

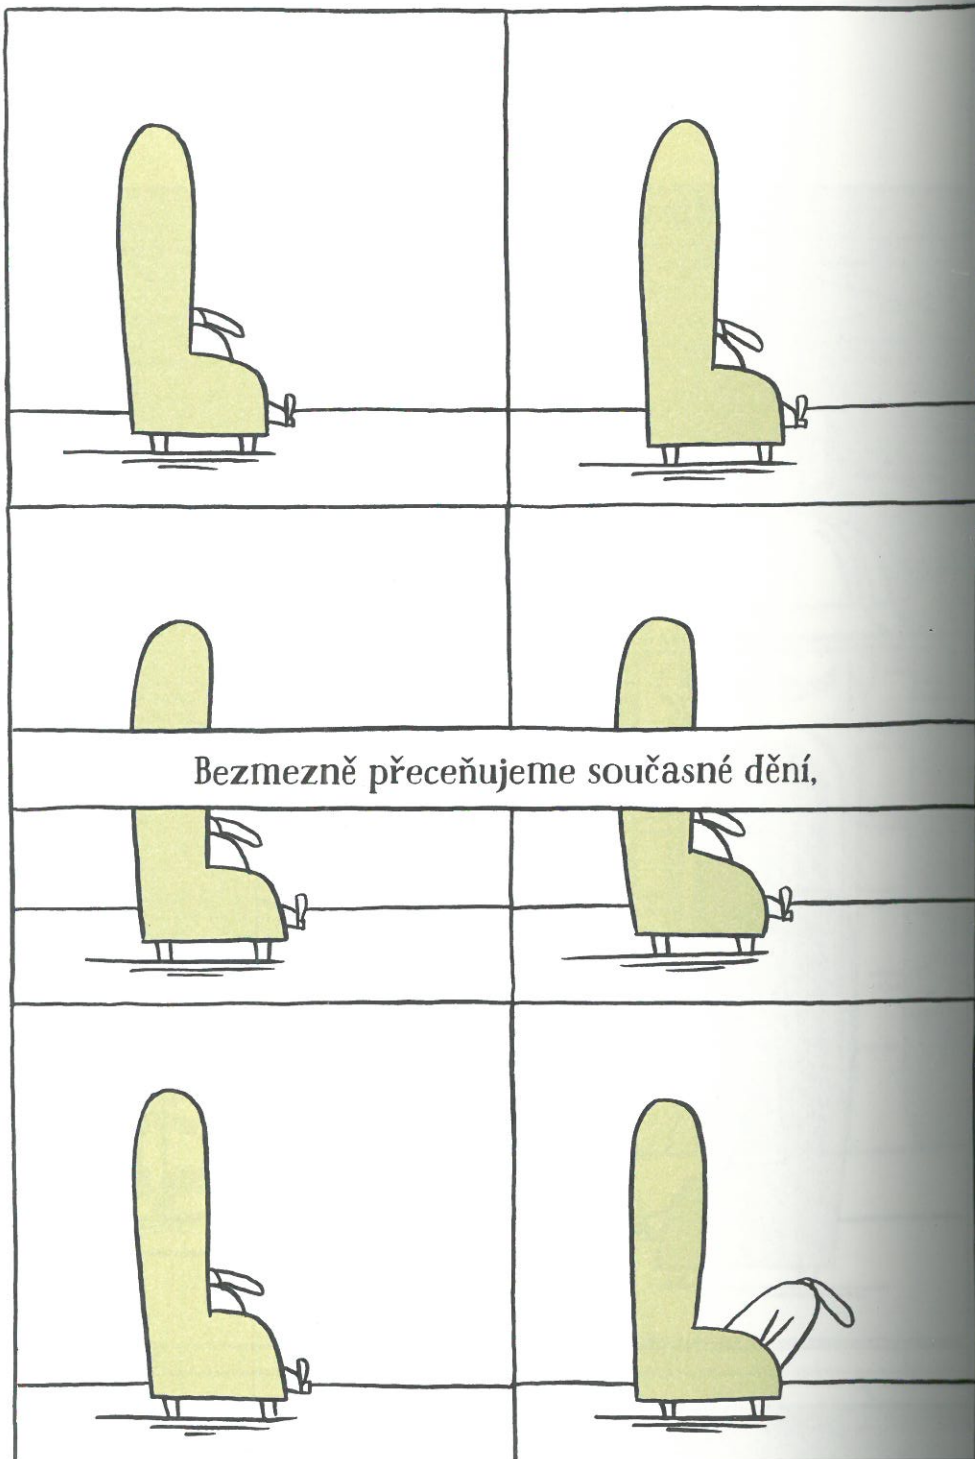

Rozhodně je třeba zabránit tomu,
aby něco z těch událostí proniklo
na veřejnost.

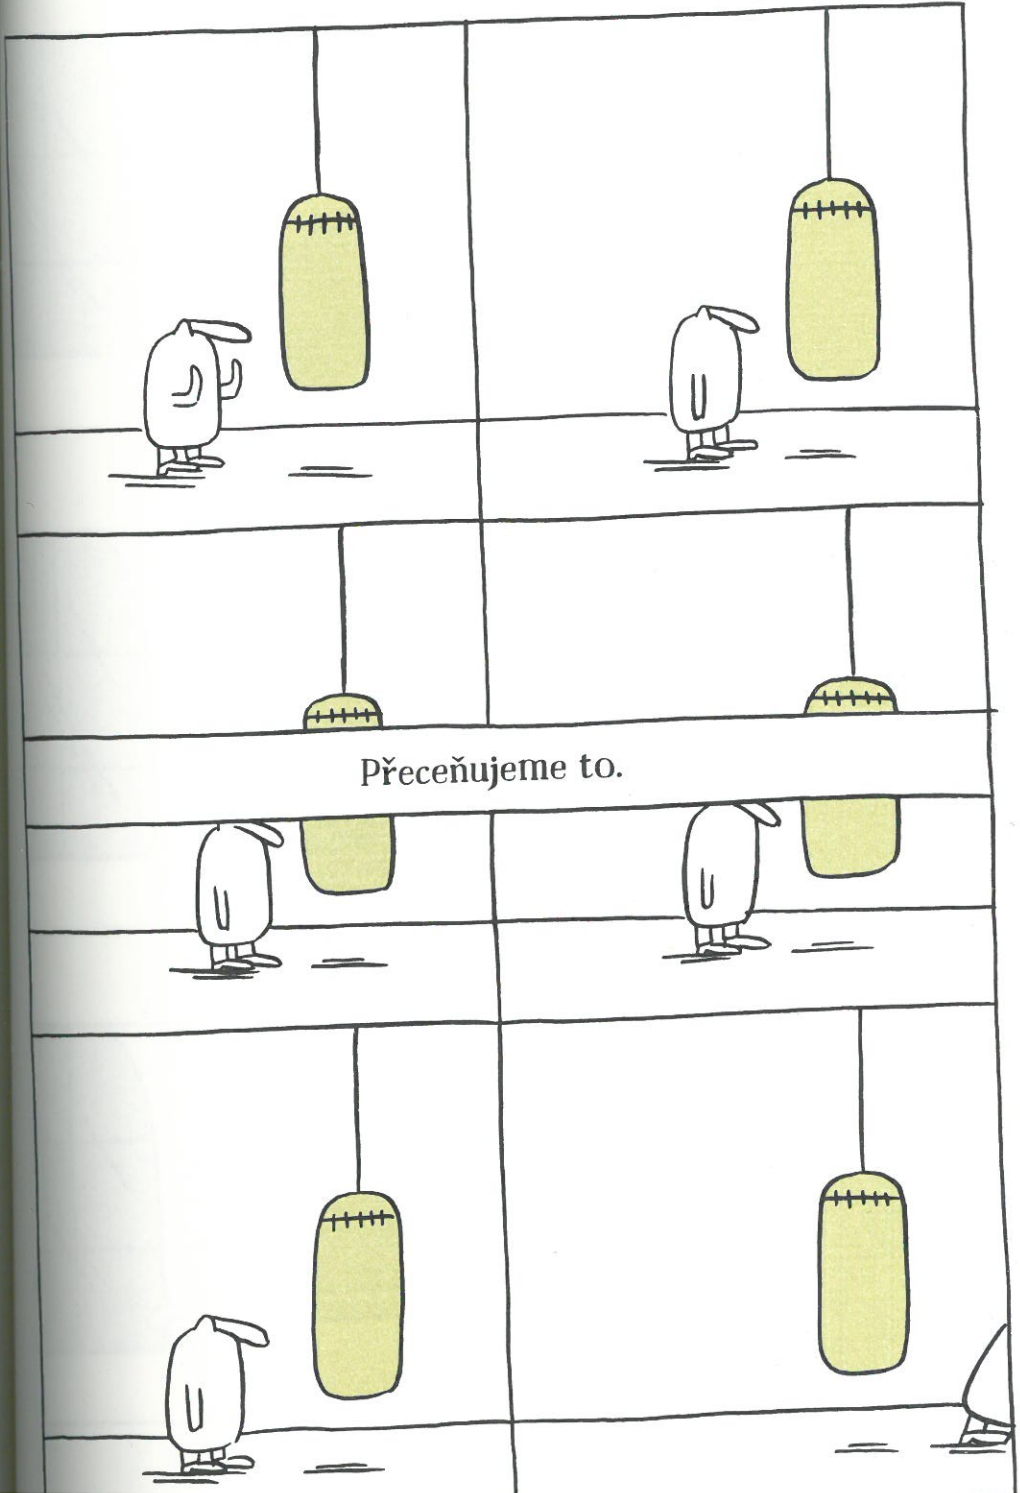

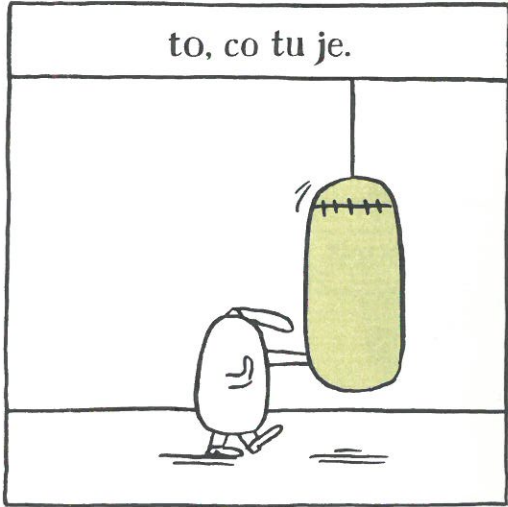

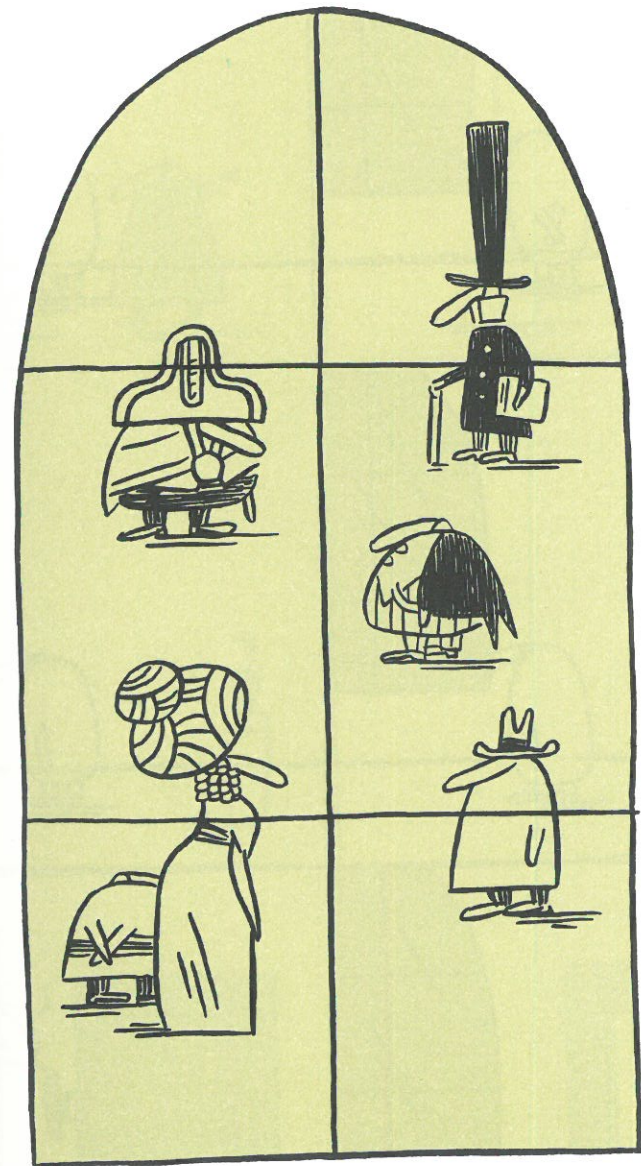

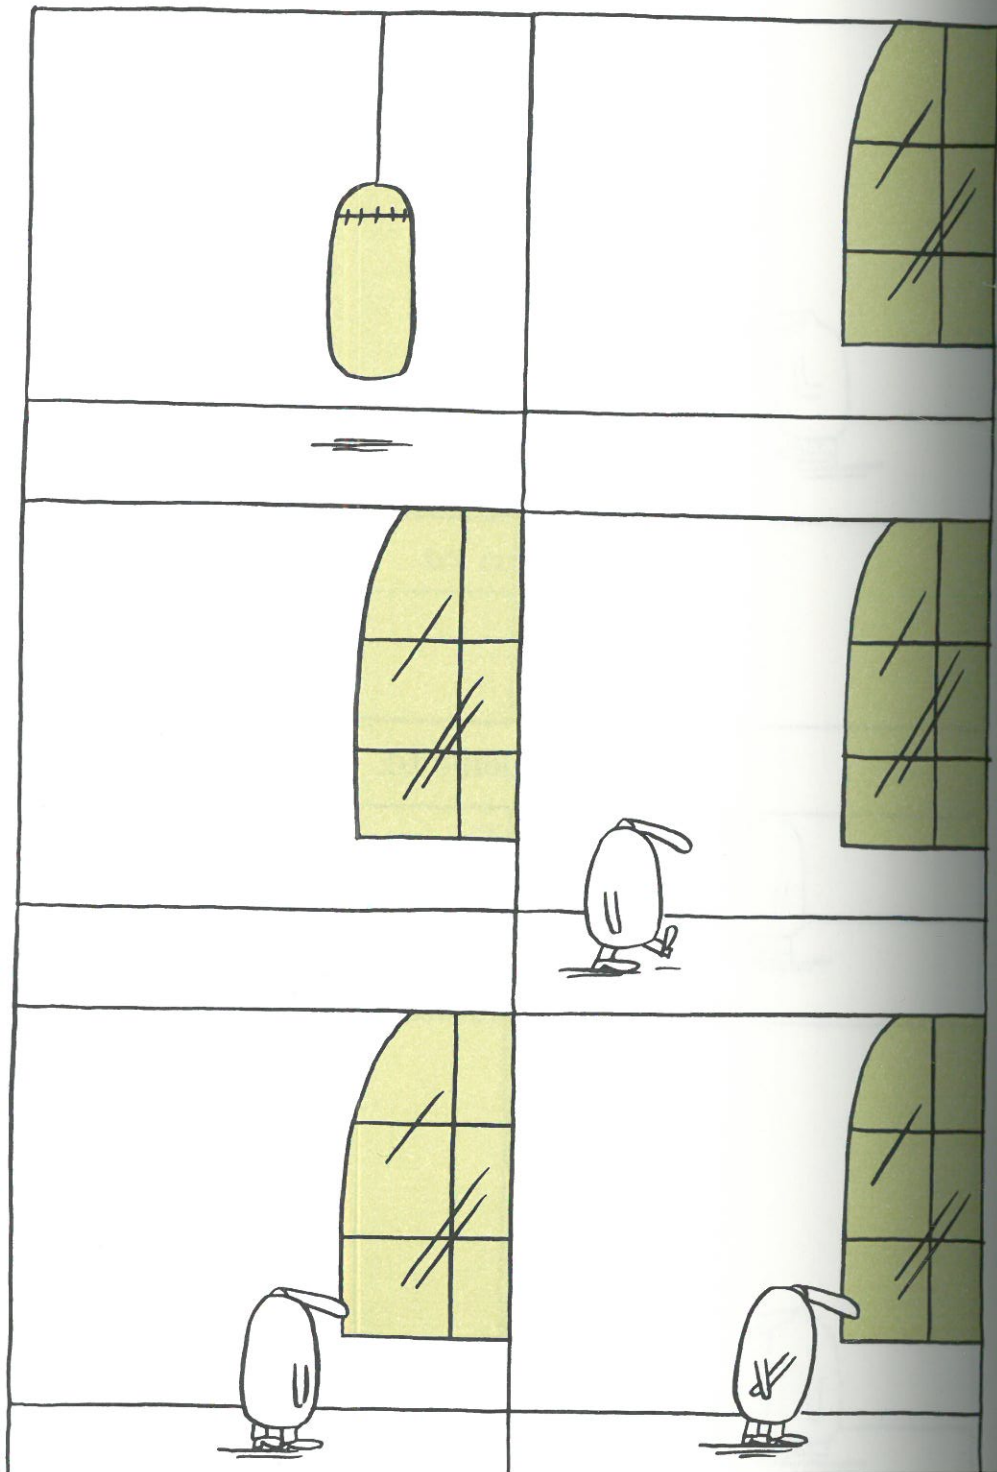

16

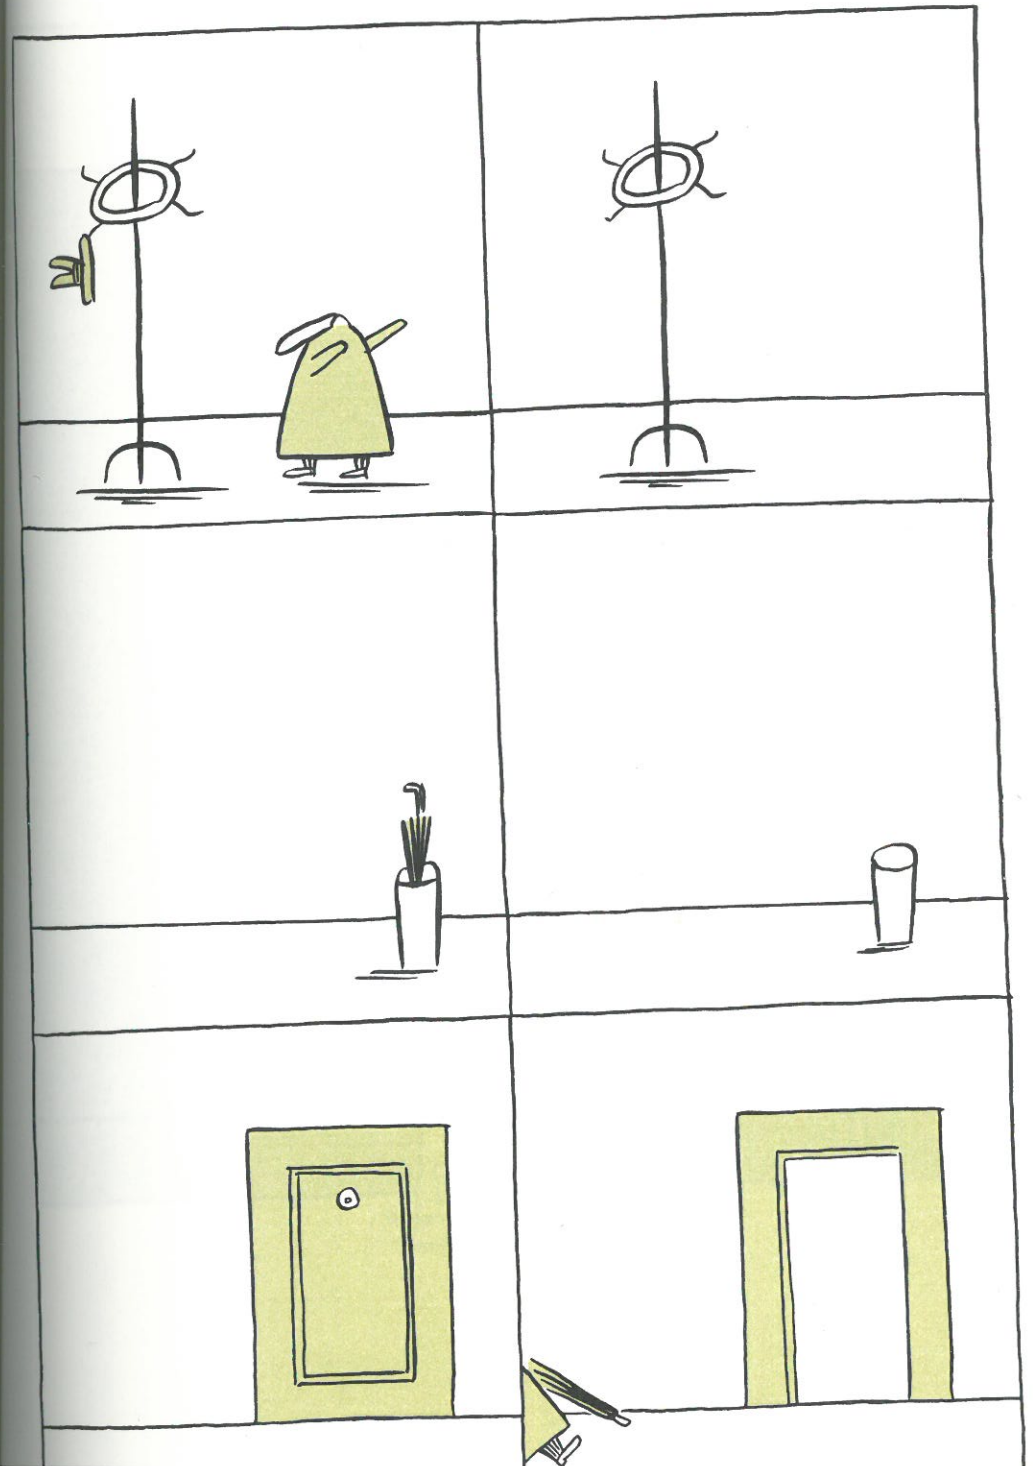

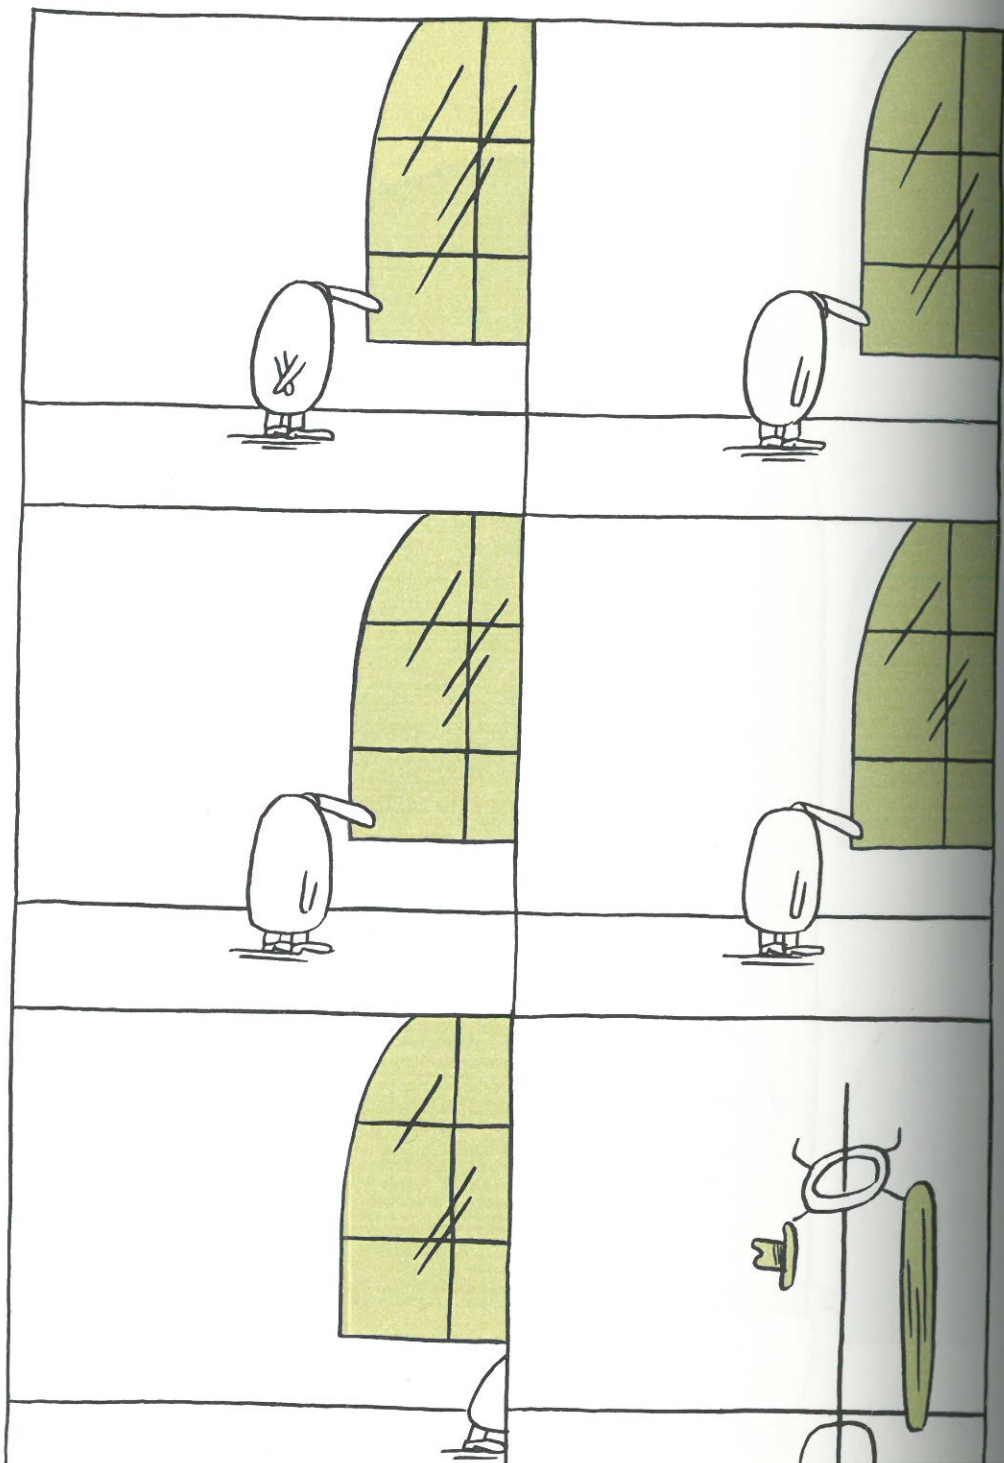

Ale nikdo si toho nevšiml.

Stejně tak by to mohlo být i jinak.
