

A stylized sun graphic on the left side of the page. It consists of a solid yellow circle at the bottom left, with several yellow dashed lines of varying lengths curving upwards and to the right from its top edge, suggesting rays of light. The background is a solid orange color, and a large white semi-circle is positioned on the right side of the page.

Provisioning of urban ecosystem services and the benefit distribution under climate change

Co-report
Michaela Horníková

General comments

- The topic of ES well explained
- Deep introduction into this topic

- Research question clearly stated
- Broad research of sources and literature
- Worldwide context explained

- Czech context missing
- Use the outline of the defined territory

Questions

- **The area of interest**
 - Do you mean „Prague“ geographically or with landscape surroundings as well?
- **Indicators in database entry**
 - Is the selection of indicators based only on previous reviews?
 - Does it mean that you want to follow international approaches?
- **Modeling**
 - What are the other ES supplies you want to continue with?
 - Do you have some kind of Czech research to compare yours with?
 - What are differences between international and Czech approaches?
