

The background of the slide features a low-angle shot of the European Commission's building, characterized by its distinctive curved, ribbed glass facade. To the right, the European Union flag, with its twelve gold stars on a blue field, is flying on a tall silver pole against a bright blue sky with scattered white clouds. A white rectangular box is superimposed over the center of the image, containing the title and names.

European Commission

FRAMEWORK FOR JOINT RESOLUTION OF HEALTH CRISES

01

Health
Union

- EU4Health proposal as an initial step
- Aligning the health systems of Member States
- Principle of solidarity: equal accessibility and affordability of health care; universal health coverage
- European Pillar of Social Rights: high-quality and and long-term care

02

EU
Measures

- Single market and freedoms of movement protection
- National and interstate healthcare equity
- Digitalization of health systems
- Efficiency analysis of the Measures
- Proportionality and non-discriminatory nature of restrictions on fundamental freedoms

03

Joint
Monitoring
of indicators

- Expansion of the EU4Health Program and adoption of a Framework for Health Union during crises

04

Unified
R&D and
increased
investment

- Production of medical equipment, machinery and pharmaceuticals by cooperating with local production facilities
- Coordinated vaccine and drug purchases

SHORT-TERM MEASURES

01

- Vaccine Passport (Digital Green Certificate)
- Speed up the development of vaccine or drug

- Restrictions of the free movement
- Economic intervention
- Restricting border traffic
- Enabling trade within the Union via green lanes

TRANSITIONAL MEASURES

02

- Travel bubble
- Lifting restrictive measures

LONG-TERM MEASURES

03

OUR PRINCIPLES

- Principle of the rule of law
- Possible national deviations
- Principle of conditionality
 - I) Breachers may lose access to common health funding
 - II) Article 7 of the Treaty on European Union

Thank you for your attention!
