How often do you go online? How much time are you online a day?

Do you write a blog? Do you post tweets?

Do you use the Internet for doing research?

How about texting your friends?

Do you like doing your banking online?

Which goods do you like buying online?

If you share photos online, who do you share them with?

Do you always log out when you finish?

Do you read or listen to the news online?

Do you download films to watch?

Do you post anything on a website?

How often do you update your Facebook page?

How often do you check your emails?

Do you use social media?

Do you like chatting online?
