

EUSKAL MITOLOGIA

PRESENTATIONS

Each presentation will be individual and will last 5 minutes. You must make a power point presentation to help the description with at least a picture of the character (2-3 slides). I will share your power point presentations afterwards in Moodle so that you can study from there for the exam of the course.

The bibliography is down below. You can also find other resources in the Internet. There are websites related to Basque Mythology, especially in Spanish and French, which might be useful.
