

Week 5 – Unit 4 – My Life

Interview with your teacher Markéta.

Markéta: Hello everyone, even though I know you already know me, you for example know that my name is Markéta Doubravová. I still want to introduce myself a bit more and that is why I've got here my colleague Šárka who is going to interview me and she is going to ask me a few questions about my life. Hello Šárka.

Šárka: Hello Markéta. Hello everyone. Thank you for inviting me and let's start with the interview. Do not worry, it shouldn't be long. We all know you teach English, you are an English teacher but do you also teach anything else?

Markéta: Yes, I do. I also teach German language.

Šárka: Wow, interesting. And tell us once again. Where do you live?

Markéta: I live in Prague but I come from Stříbro, which I think is also already something that you know, not only you but also our students.

Šárka: You are right. That's nothing new to us. So let us get to your work. Where do you work?

Markéta: I work in the centre of Prague and I must say I love it there. I love Prague and I have to say that it is my favourite city in the world, and my second favourite city is London. I often go to London and I also went there for the summers to teach English but I don't any more, unfortunately.

Šárka: Amazing. Working as an English teacher in London. That's impressive. And what about your hobbies? Have you got any?

Markéta: Yes, I do. I have a lot of hobbies. And one of my favourite hobbies is dancing. I go dancing on Wednesdays and I don't only enjoy the dancing itself, but I also like the girls who are in my group.

Šárka: Like your friends.

Markéta: Yes, yes. And I also like going to concerts. Even though I haven't been to a concert for a very long time, but I especially like Robbie Williams and I have been to six of his concerts so far.

Šárka: Wow, wow. And how about sports?

Markéta: I like sports in general but I must confess I don't like football.

Šárka: Why don't you like football?

Markéta: I don't know. I simply do not like the game.

Šárka: Alright. And how about any other things? Do you enjoy anything else. For example, do you like travelling?

Markéta: Yes, yes, I do. I love travelling. That's actually also, you know, one of my favourite hobbies. But I have to say again that I rather travel to different countries than travelling, you know, around the Czech Republic. So for example, the countries I really like are England, Scotland, I also go, you know, to Germany, of course, because it's so close. I visit Greece quite often and I find Austria amazing, beautiful country. And I also can tell you that, you know, the furthest countries I know are the United States of America and Australia.

Šárka: The USA and Australia? Really? You've been there?

Markéta: Yes, yes.

Šárka: And do you like anything else?

Markéta: Yes, I also like going to the cinema but I don't read. I read only books for children, for my little son who is nearly four years old.

Šárka: Alright. And does he like sports? Does he like football?

Markéta: Yes, yes, he likes sport and he does like football. And I'm not really happy about that, but you know, what can you do. He really enjoys watching football.

Šárka: Exactly. Nice.

Markéta: And I can also say that he, you know, goes swimming on Tuesdays. But I think that it is enough, you know, when... for his activities, free-time activities, because I still think he is little.

Šárka: I see.

Markéta: ... too many hobbies.

Šárka: I see. Alright, Markéta. That's all I wanted to ask. Thank you very much for the interview.

Markéta: That was really short. You're welcome.

Šárka: Have a lovely day.

Markéta: You too. Bye bye.
