I went to the Thai Kitchen last week with a group of friend's. Finding the restaurant isnt difficult. Its the place with the long queue outside! But don't worry – you wont need to wait very long and the foods worth the wait. I had the chefs special dish of the day, which was beef and mango salad. I also tried my friends dishes. They were all delicious too. The restaurant gets noisy sometimes, but if you avoid going at peak time, then you'll find the place nice and quiet.
