The Just Transition Mechanism

- Part of the NextGenerationEU plan = a strategy for recovering from the worldwide pandemic and transforming the countries economies and societies
- “Nobody is going to get left behind”
- Focusing on the regions most exposed to the challenges of the transition
- Three pillars
 1. Just Transition Fund
 2. InvestEU Scheme
 3. New Public Sector Loan Facility

Enabling framework

- A mix of legislative proposals and initiatives
- EU taxonomy
- “What is sustainable?”

Support for implementation

- Creation of projects aligned with the objectives
- Technical support for EU member states
- An effort to help the project promoters

Ursula von der Leyen | December 2019

Pros and cons of the European Green Deal

Support

- Saving our planet for the next generations
- More productive economy
- High quality jobs
- Cleaner air and water - healthier people

Criticism

- Unrealistic funding
- Fears of corrupting the system
- Eastern countries reliant on coal mining
- Chance for populist politicians
