

SECTION I

Present Perfect

Present Perfect often combines with other tenses in the same sentence.

1 USES WITH OTHER PRESENT TENSES

We use Present Perfect with other Present tenses:

- with report/comment verbs or phrases (*guess, imagine, suppose, etc.*):
I reckon Gloria's been held up in traffic. Do you suppose they've forgotten they're meant to be here?
- with the phrase *This is / It's / That's the first / second / only, etc. time ...*:
This is the first time he's been late. It's the only time I've ever really got angry with him.
- when an event is unusual or unique in your life (often with a superlative and *ever* or *never*):
I've never met anybody who is so absent-minded.

However, we commonly use a Past tense to refer to somebody who is dead:

Princess Diana was the most extraordinary person I've ever read about.

- when commenting on the present results of something in the past (usually with *appear, seem, sound, etc.*):
He sounds as if he has run all the way here. It seems they've already decided without consulting us.

2 USES WITH PAST TENSES

We use Present Perfect with Past tenses:

- to describe states or events that have continued since a time in the past (with *since, ever since, etc.*):
He's been a bit more careful since he had that warning. Ever since I first heard it I've been trying to find a recording of that song.
- to describe long-term or repeated feelings and thoughts about past events:
I've often wondered why he decided to become a teacher. I've always felt we did the wrong thing when we took her on as an assistant.

3 USE WITH ANOTHER PRESENT PERFECT

We use Present Perfect with another Present Perfect:

- to describe two states that have existed since a time in the past:
Since I've known him, he's always worn the same sweater.

4 USE WITH FUTURE FORMS

In time clauses (after *when, as soon as, until, before, etc.*) we don't use *will*, and so the Future Perfect *will have done* is not possible. In these cases we use the Present Perfect to refer to the future:

We'll continue the meeting when he's recovered his composure.

5 USE WITH SINCE AND YET

Note the position and emphatic uses of *since* and *yet*:

There was no news this morning but we've since learned that she's in Rome.

I haven't met anyone yet who can run as fast as him.
or: *I've yet to meet anyone who ...*

SECTION 2

Other Perfect forms

1 PAST PERFECT

Not always necessary

Past Perfect emphasises that we are talking about a period before a time in the past. If the time sequence is clear (e.g. because we use *after*), both Past Simple and Past Perfect are possible. At other times Past Perfect is essential to understanding the sequence, and we often add *already*, *as soon as*, or *until*:

I got to work after Simon arrived / had arrived.
When I arrived, they'd already started. (= they started before I arrived)
When I arrived, they started. (= I arrived before they started)

With definite time

Unlike Present Perfect, we can use Past Perfect with a definite time reference:

I arrived at nine o'clock but he had got there at eight.

With before

There is one exception to the time sequence rules on Past Perfect. When we use *before*, the verb in Past Simple can refer to something that takes place before the verb in Past Perfect. The first action may prevent the second from happening:

The waiter took my plate away before I'd finished eating.
I was blamed for it before I'd even had a chance to defend myself.

Unfulfilled plans

We use Past Perfect with report verbs and with *hope*, *intend*, *expect*, etc. to talk about plans that have not yet been fulfilled. *Had* is usually stressed in speech with this use:

I had hoped to talk to him but he was too busy to listen.
I had thought of phoning him but decided against it.

2 FUTURE PERFECT

With by

We can often use Future Perfect with the preposition *by* or the phrase *by the time* meaning 'at some point before the time mentioned or indicated':

It's taking her so long to write that book that by the time she's finished it people will have forgotten the incident it's based on.

Predicting

We can also use *will have done* to say what we think has probably happened:

There's no point phoning: they'll have gone out.

- We can use *should / ought to* or *may / might* instead of *will* if there is some uncertainty about the prediction of present or future:
I should have finished making this cake by the time Sue comes home. (= I think I will have, but I'm not sure. See Unit 4, Section 3.2 for modal Perfects)

3 USES OF PERFECT INFINITIVES

We use Perfect infinitives:

- after link verbs like *seem* and *appear* to refer to a previous time period (an ordinary *to*-infinitive will usually refer to the present or future):
There seems to have been some sort of mistake.
- after phrases expressing emotions and feelings:
I'm sorry to have kept you waiting.
She was felt not to have met the standards required.

4 PERFECT -ING FORMS

When talking about results and time, we can use a Perfect *-ing* form to emphasise that one thing happens before another:

I didn't remember having met her before. Having finally grasped what I meant, he got down to work.

watch out!

Perfect passives can sometimes be confusing because we use both *be* (= passive) and *have* (= Perfect) as auxiliaries:

The refugees have been prevented from entering the country. This picture is thought to have been painted by a pupil of Rembrandt's.

3 Cross out and correct eight errors in this extract from a composition. A ninth error has already been corrected.

Dear Sir,
I had recently been on a two-week holiday with your company to the island of Thassos.

I am sorry to ~~have said~~ say that it was the worst holiday I've ever had. Over the years I went on many holidays to Greece, a country I have now come to know quite well. I think I can safely say that, until this year, all of those holidays were wonderful. For example I have once spent six weeks on Crete, which I had not visited before. I had loved that holiday so much that I returned every spring for the last four years.

This year, however, was different. I honestly consider this to had been the worst holiday of my life. This is not the fault of Thassos: the fault lies entirely with your company whose inability to organise the simplest thing is quite unbelievable.

As both the outward and return flights have been delayed for several hours, there was nobody to meet us at the airport or transfer us to our hotel, and when we eventually did reach the hotel, we discovered it had been built over a mile from the beach. Reading your brochure carefully, we feel this was not what we have expected.

4 Finish each of the following sentences in such a way that it is as similar as possible to the sentence printed before it.

Example: Don't use that milk until you've finished this carton.

By the time
- I reckon the journey to Cornwall is over 200 miles.

SECTION 3

Continuous forms

1 USES OF PERFECT CONTINUOUS TENSES

Like other Perfect tenses, Perfect Continuous tenses focus on a past period that leads up to a later one. Perfect Continuous tenses, as with other Continuous tenses, show that an event continues and/or is temporary:

I've been meaning to tell you about it since the weekend. Next October I'll have been playing with this team for ten years. He'd been driving for hours and he needed a rest.

- We use Past or Present Perfect Continuous to talk about something that is incomplete, just finishing or about to change. The Past and Present Perfect Simple can suggest the action is finished:
*I'd been staring at the computer screen all evening when a solution suddenly struck me. I've been reading 'War and Peace' again. (= I may not have finished)
I've read War and Peace again. (= I've finished)*
- The Continuous can emphasise the action; the Simple focuses on the result:
What have you been doing? (= tell me about your activities) *What have you done?* (= tell me the result of your activities)
- The difference between choosing Continuous or Simple may only be a matter of emphasising that something is continuing and/or temporary:
I've been waiting here for over an hour.
(= emphasising that I still am)

2 USING PAST CONTINUOUS FOR PLANS

We can use Past Continuous to talk about plans in the past:

We were meeting at 8 o'clock and I was already late.

- We use *was going to* to talk about plans in the past that we still haven't carried out or that we no longer intend to carry out:
I was going to phone you but I forgot.
- We can use *I was thinking...* to introduce vague future plans:
I was thinking of going to London this weekend.

3 USING PAST CONTINUOUS FOR POLITE REQUESTS

We often use Past Continuous to introduce polite requests, suggestions or inquiries so that they

become more an invitation to discuss the subject than a demand for a yes or no answer:

*I was thinking – would you mind swapping seats?
I was wondering if you wanted to go out this evening.
Were you looking for anything in particular?*

watch out!

Note we can't use *I was thinking* with *whether* or *if*:

- ✗ *I was thinking whether you'd like to come round to my place for coffee?*
- ✓ *I was thinking – would you like to come round to my place for coffee?
I was wondering whether you'd like to come round to my place for coffee?*

4 CONTINUOUS INFINITIVES

Verb and other structures that can be followed by a *to*-infinitive can also be followed by a Continuous infinitive to emphasise that something is still continuing or is temporary:

It's ridiculous for him to be driving in central Athens at his age.

Several cyclists are thought to have been taking drugs during the race.

5 PERFECT CONTINUOUS PASSIVE

The Perfect Continuous passive is very uncommon because it involves two forms of *be*:

The Botley Road has been being widened for the past six weeks.

However, on this occasion I decided (✓) / was deciding to go because my friends had been constantly going / had constantly gone ⁽¹⁾ on about this film all week and eventually wore me down. It starred / was starring ⁽²⁾ some ephemeral Hollywood actor whom I had vaguely heard of but couldn't put a face to. We got to the cinema early to find people were already waiting / already waited ⁽³⁾ outside which suggested that my friends weren't the only ones who thought it was worth seeing – although I could still think of several other things I would rather having been doing / do ⁽⁴⁾ at that moment.

In the end, the film turned out / was turning out ⁽⁵⁾ to be not half as bad as expected, though I would have preferred / would have been preferring ⁽⁶⁾ something with a bit more action. The plot centred on two men who were planning to carry out some immensely complicated robbery, though what they completely failed to realise / were completely failing to realise ⁽⁷⁾ was that all the time their plans were being closely monitored / were closely monitored ⁽⁸⁾ by the police. Somewhat unpredictably, however, they got away with it because they changed / were changing ⁽⁹⁾ their plans at the last minute. It was okay but I'm not thinking / I don't think ⁽¹⁰⁾ of going again.
