### Katie Melua – If You *Were* a Sailboat

If you *were* a cowboy, I *would trail* you.

If you *were* a piece of wood, *I'd nail* you to the floor.

If you *were* a sailboat, I *would sail* you to the shore.

### Nickelback – If Everyone *Cared*

If everyone *cared* and nobody *cried*.

If everyone *loved* and nobody lie.

If everyone *shared* and *swallowed* their pride.

Then *we'd see* the day when nobody died.

### Gwen Stefani – Rich Girl

If I *was* a rich girl. See, *I'd have* all the money in the world if I *was* a wealthy girl.

No man *could test* me, impress me, my cash flow *would never* ever *end*.

Cause *I'd have* all the money in the world if I *was* a wealthy girl.

### Peter, Bjorn & John – Young Folks

If I *told* you things I did before, *told* you how I used to be, *would you go* along with someone like me?

If I *lose* myself tonight, *it'll be* by your side.

I *lose* myself tonight ...

### Bruno Mars – Count on Me

If you ever *find* yourself stuck in the middle of the sea, *I'll sail* the world to find you.

If you ever *find* yourself lost in the dark and you can't see, *I'll be* the light to guide you.

*Try* walking in my shoes, *you'll stumble* in my footsteps, keep the same appointments I kept.

If you *try* walking in my shoes. If you *try* walking in my shoes.

### 50 Cent – If I *Can't*

If I *can't do* it, homie, it *can't* be done.

### Guy Sebastian – Like a Drum

Sometimes I can't remember if these ashes *came* from flames.

And if we *relight* these embers, *would* they just *burn* out again?

We *can* try, we *should* try ...

#### Gloria Gaynor – I will survive

And so you're back, from outer space. I just walked in to find you here with that sad look upon your face.

I **should have changed** that stupid lock,

I **should have made** you leave your key,

If I **had known** for just one second **you'd be** back to bother me.

#### The Hollies – Why Didn't You Believe

He asked for you to love one another, you turned your back and played on with your games.

If you **had listened**, you **would have discovered**, the Bible **would have told** a different story.

#### The Corrs – Love to Love You

I met you on a sunny autumn day, you instantly attracted me when asking for the way.

God, if I **had known** the pain **I'd make** you feel, I **would have stopped** this thought of us

And turned upon my heel.

#### Taylor Swift – The Outside

A part of this, a part of you and now it's all too late so you see.

You **could've helped** if you **had wanted** to but no one notices until it's too late to do anything.

???

But I think it'll feel the same no matter where you are.

So even if I **had wanted** you to stay, it **wouldn't have changed** anything.

#### Journey – It Could Have Been You

So please stop your crying, I can't wait all my life, on a street of broken dreams,

It **could have been** you my love (where are you now),

Oh I still wonder if you remember the night, it **could have been** you.

#### Taylor Swift – Should've Said No

... and you said, "Yes".

You **should've said**, "No", you **should've gone** home, you **should've thought** twice,

'fore you let it all go.

You **should've known** that word, with what you did with her. Get back to me... (get back to me).

And I **should've been** there, in the back of your mind. I **shouldn't be** asking myself, "Why?".

You shouldn't be begging for forgiveness at my feet...

You **should've said**, "No", baby, and you **might** still **have** me.

#### Brian Mcknight – Shoulda Woulda Coulda

I **shoulda been** a better man, the **kinda** man that you needed.

**Woulda been** better off if I ('d) done right by you.

I **coulda done** this, I **coulda done** that but I know I can't go back.

'Cause now it's just too late. I'm sayin' **shoulda, woulda, coulda**, yeah
