

## Task 1:

1. I struggle with chronic procrastination, I can't make myself do anything unless there is a burning deadline.
2. Nobody testified against him, so now he can walk free.
3. Prime minister's statement caused a public backlash, his party might lose the next elections because of it.
4. If those symptoms recur, please go see a specialist.
5. If you keep this attitude you are running the risk of getting fired.

## Task 2:

## Pros

| Lowers the exposure to second hand smoking

## Cons

Not enough evidence

Risk of backlash and loss of scientific credibility of antismoking movement

May create smoke filled areas near park entrances, one has to go through
