

Assignment #2

Vocabulary:

The crowd dispersed quickly after the first gunshot.

The candidate jeopardized his own chances of winning the elections by sending vulgar messages to the media.

The earthquake caused severe damage to the city.

The key witness testified against the defendant.

The hazards of working with open fire in a space shuttle are enormous.

Pro (for the ban):

- Secondhand smoke can be a risk even outdoors ✓
- It is comparable to smoke inside ✓
- Even a small amount can cause serious damage ✓

Con (author):

- People can avoid smoke outside ✓
- Smoke disperses quickly outside ✓
- For a severe damage there already has to be a (long-term process of inhaling smoke) ✓
- The ban will create unavoidable smoking areas ✓
- The anti-smoking party will lose scientific credibility ✓

maybe
leťki: an extended duration of inhalation.

/ wouldn't
call this
a process /

- good use of vocabulary.
- good points, but perhaps
some more details for 'pro'

Thanks -/-

good +
